AWARD PRESENTATIONS

B. RECOGNITION OF EMPLOYEE SUGGESTION AWARDS PROGRAM MONETARY AWARD RECIPIENTS.
Regular Meeting, January 15, 1997

1. MONETARY AWARD OF $358.07 TO DANNY EVANS, EQUIPMENT OPERATOR II, BUREAU OF PUBLIC SERVICES, FOR SUGGESTION REGARDING FAXING TIME SHEETS.

Commissioner Miller said, “Good morning Commissioners, good morning to the public. The Employee Suggestion Award Committee has as far as I’m concerned a very important job to do. We are about the business of recognizing the suggestions and actually putting into place a Monetary Award for those individuals that work for Sedgwick County that come up with some bright intutive ideas that not only make their jobs easier typically, but also save the County money.

“I’m wondering Brenda Stocklin Smith why I have three mugs here and . . . do I have three recipients this time? Okay, I know I’m aware of two . . . I’m saying, oh no, I’m gonna miss somebody. Let’s start with Mr. Evans. Danny Evans would you like to come on up to the microphone please. How are you today?”

Mr. Danny Evans, Bureau of Public Services, said “Fine Commissioner.”

Commissioner Miller said, “Good. Would you like to not only tell the Commission, but also our public what your idea is, or has been and how it’s been implemented and how it’s working?”

Mr. Evans said, “Simply, the implementation of fax machines into the outlying yards to transfer papers into the main yard. It’s part of our daily business. A lot of times the foremen wouldn’t need to make a trip, it just simplified it. It was just so simple I think it was overlooked for a long period of time.”

Commissioner Miller asked, “It’s working?”

Mr. Evans said, “Yes. So far.”

Commissioner Miller said, “Alright. We want to thank you once again and you will, if you haven’t already . . .”

Mr. Evans said, “I’ve already received it.”
Regular Meeting, January 15, 1997

Commissioner Miller said, “You’ve already received it and there is your mug and the scraper. Thank you.”

Mr. Evans said, “Thank you. I also want to thank the Employee Suggestion Committee and especially Brenda.”

Commissioner Miller asked, “Do you need to call the next item or is it all in one?”

Chairman Winters said, “Yes, why don’t we go ahead and we’ll do both of them and we’ll . . . at the end.”

2. **MONETARY AWARD OF $100 EACH TO MOLLIE ARNOLD, FISCAL ASSOCIATE, COUNTY CLERK, AND LINDA LEGGETT, OFFICE SPECIALIST, COUNTY CLERK, FOR SUGGESTION REGARDING STAMP MACHINE FOR MAIN COURTHOUSE LOBBY.**

Commissioner Miller said, “Okay. I’ll need to call up Mollie Arnold and Linda Leggett. Mollie is a Fiscal Associate for the County Clerk’s Office and Linda is an Office Specialist for the County Clerk’s also.

“Now, the stamp machine has been a pretty interesting addition to our lobby downstairs. I have to admit, and I’m looking backwards because Bill Buchanan, County Manager, I had to lobby pretty hard with Bill in order to get that stamp machine placed down there, but I thought it was a good idea from the beginning. Could you ladies tell us about your idea and how you felt it would improve services here.”

Ms. Mollie Arnold, County Clerk’s Office, said, “Well because we had so much traffic, we had a lot of people coming into our office and requesting stamps all the time. So it was real easy, easy suggestion to be able to accommodate what their needs were and to see it materialize, it’s real exciting.”

Commissioner Miller said, “Isn’t it. Do you use it?”

Ms. Arnold said, “Oh, you bet I use it.”
Regular Meeting, January 15, 1997

Commissioner Miller said, “Alright. What it also does and in talking with Don Brace with the mail room upstairs, it kind of relieves them of some of their duties so now they can do some other things. It was a two edged win win for us on that one.”

Commissioner Miller said, “Ladies, go ahead.”

Ms. Arnold said, “We want to thank everyone for the acknowledgment and the Monetary Award and especially making it materialize. It’s great.”

Commissioner Miller said, “Thank you for the suggestion.”

Chairman Winters said, “Thank you to the employees and thank you Commissioner Miller for your work on this committee. It is important to make sure that employees know their opinions are valued and their suggestions are valued. Madam Clerk call the next item.”

NEW BUSINESS

C. POSITION RECLASSIFICATION AND SALARY ADJUSTMENT OF CHIEF ATTORNEY AND SALARY ADJUSTMENT OF SENIOR ATTORNEY.

Ms. Nola Foulston, District Attorney, greeted the Commissioners and said, “This morning I am here to request a reclassification of a position of Chief Attorney to the position of Chief Administration Attorney. Unfortunately our community lost Kim Parker who was one of District Court Judges, but we did gain an Assistant District Attorney to return to the District Attorney’s Office who has a wealth of experience and based on the nature of business at this particular point in time, there is an increasing need for administrative work within the office. The way the position is designed Ms. Parker would be handling all of the administrative area of handling warrants. This requires a change in the existing name of the position and existing duties and responsibilities. So we are requesting a position change there from a 29 to a 30.
Regular Meeting, January 15, 1997

“In the second one that would be a request to allow us to bring in a Senior Attorney who is a former Assistant District Attorney who has been in practice for a number of years and who has demonstrated a tremendous level of achievement. It is very difficult for us to get lawyers of quality who have been out in practice. They usually make so much money out there practicing in other endeavors, they don’t need to come back to the District Attorney’s Office. We usually can’t meet the financial requirements that many of these lawyer’s have.

“In this particular case if we were able to do the step adjustment to a Level Five we would be able to meet the salary needs of an attorney that we are interested in having return. The money is going to be available in our budget. The reason is because we have been very frugal in our hiring, delaying the number of people that we’ve hired. We still have an attorney that is on leave of absence. We are continuing to defer the hiring of individual personnel through the steps of our office.

“In order to accumulate the money necessary to meet what we told you we would meet last year and our budgetary figure show that we’re well within our guidelines and will be able to make these salaries as well as the ones that we have told you about in the past without any question. The ability of this office to be frugal and to be able to meet the public requirements for handling of the money appropriately has been met. So I’d ask the action be to approve the reclassification and those salary adjustments.”

Chairman Winters said, “Thank you very much. Commissioners are there questions or discussion, and if not, what’s the will of the Board?”

MOTION

Commissioner Gwin moved to approve the reclassification and salary adjustment.

Commissioner Miller seconded the Motion.

D. CHARTER RESOLUTION OF SEDGWICK COUNTY, KANSAS PROVIDING THAT K.S.A. 19-4314 AND 19-4306 SHALL NOT APPLY TO SAID COUNTY AND EXEMPTING SAID COUNTY THEREFROM; PROVIDING SUBSTITUTE AND ADDITIONAL PROVISIONS ON THE SAME SUBJECT; PROVIDING THAT THE PROVISIONS OF K.S.A. 19-1403 et seq. SHALL NOT APPLY TO CERTAIN EMPLOYEES OF THE SHERIFF’S OFFICE; CHANGING THE QUALIFICATIONS FOR MEMBERS OF THE CIVIL SERVICE BOARD; AND REPEALING THE PROVISIONS OF CHARTER RESOLUTION NO. 25.

Mr. Ed Randels, Assistant County Counselor, greeted the Commissioners and said, “The Charter Resolution which you have before you basically does one thing and that is remove a residency requirement, a district residency requirement from Civil Service Board Members. Currently State statute provide that no more than two persons can live in the same district and be on the five member Civil Service Board. In looking at some of the recommendations for people to sit on that Board and finding the best people possible for that Board, it was determined that some of those people may live in districts where there are already two members. This statute is non uniform. The County has already charted out of the statute in part in Charter Resolution No. 25.
“So what this Charter Resolution does is repeal that Charter Resolution, restate that Charter Resolution just for simplicity sake and then remove the district residency requirement only from the requirements for Civil Service Board Members. The remaining provisions of that statute would remain in this Charter Resolution. In other words there would still be a limit; no more than three people from the same political party. They still must maintain County residency and maintain that for three years prior to appointment. They cannot be a public employee or a public office holder. So those things remain the same, the only thing that has changed or would change, if you approve this Charter Resolution, is the district residency requirement.”

**Commissioner Miller** said, “Thank you Mr. Chairman. So basically if you break this down what we’re saying now is that no longer is there a district requirement, in order to serve on the Sheriff’s Civil Service Board, but instead they can live anywhere in the County. Is that what you are saying?”

**Mr. Randels** said, “That is correct.”

**Commissioner Miller** said, “Thank you. Thank you for that.”

**Chairman Winters** said, “Thank you. Commissioner Schroeder.”

**Commissioner Schroeder** said, “Ed, what about backgrounds of these individuals, if they have a DUI or an arrest are they still able to serve on the Board?”

**Mr. Randels** said, “That is not a statutory prohibition to serving on the Board.”

**Commissioner Schroeder** said, “Okay, thank you.”

**Chairman Winters** said, “Thank you. Ed I would assume that Sheriff Hill is supportive of this and I believe it would certainly help the function of the Civil Service Board.”

**Mr. Randels** said, “That is correct. Yes he does.”

**Chairman Winters** said, “Alright, thank you. Commissioners you’ve heard Ed’s report, are there other questions, comments, if not, what’s the will of the Board?”

E. CONTRACT WITH CORRIE L. MAY, M.D., FOR THE SERVICES OF PHYSICIAN FOR THE POSITION OF MEDICAL EXAMINER/DISTRICT CORONER.

Mr. William Buchanan, County Manager, greeted the Commissioners and said, “You have before you our contract that we have spent the last couple weeks rewording to reappoint Corrie L. May as the Coroner for Sedgwick County. Last week we extended that for one week until today and with the execution of this contract it would appoint her to a four-year term. Contract calls for her to serve in a capacity she has served in before. It provides for some reviews and it provides for an increase in salary of about 4% to $148,593.00 annually. I would recommend you approve it.”
Regular Meeting, January 15, 1997

MOTION

Commissioner Schroeder moved to approve the Contract and authorize the Chairman to sign.

Commissioner Gwin seconded the Motion.

Chairman Winters asked, “Is there additional discussion? Commissioner Miller.”

Commissioner Miller said, “Yes Mr. Chairman. Bill, under Section 4, under the Annual Review, a section of the contract, it states that the physician agrees that she shall be subject to Annual General Performance Reviews by County Manager based on the following and then it gives the criteria. I’m in agreement that definitely the Annual Review section needs to be in there, but also understanding I’d like for this Commission to contemplate that, understanding that it is the Commission that hires the Coroner and decides either to dismiss or continue a contract with the Coroner that I would like for us to think about adding to this that the Commission reviews your review. I will just put that on the table for any discussion or comments.”

Chairman Winters said, “Okay. Commissioner Schroeder.”

Commissioner Schroeder said, “For a discussion, I don’t have a real problem with that. I think the Manager can make the technical review of what she does and if we feel more comfortable that he brings it by for us to look at, for us to approve or sign off on, whatever we want to do, that doesn’t bother me. Obviously he is the individual that knows what she does on a day-to-day basis and is going to have to be the one to judge whether she is doing it properly or not. I don’t really have a problem with that. Melody, I could go along with that as long as we don’t . . . I don’t know what I’m looking for . . . as long as we don’t confuse the problem even more like we’ve have lately. I don’t have a problem with us signing off on his review. Basically, that’s what it will be.”

Chairman Winters asked, “Let me ask then a technical kind of question. We had an opportunity to review this contract earlier this week, and it’s my understanding that Dr. May has signed the contract as it is. Are you proposing that we rewrite this and ask her to resign a new contract or . . . Rich, how would we handle that?”
Regular Meeting, January 15, 1997

Mr. Euson said, “The contract would have to be amended to state that language and Dr. May would have to resign.”

Chairman Winters said, “Commissioner Gwin.”

Commissioner Gwin said, “Mr. Chairman, in light of that I would support going ahead with the Motion as made without the requirement that Bill come to us, except that I know Mr. Buchanan well enough to know he does visit with us often and if we have concerns or complaints we are certainly free to express those to him. In order not to hold up the contract or to change the look or feel of it, I would go ahead and support the Motion as made, with Bill understanding that we are certainly feel to express our concerns and give him input as to what we might hear from the public or anything to that matter.”

Chairman Winters said, “Alright. Following that up and before we go to Commissioner Miller, if you would like to follow up on this, I think we could certainly do that. It would kind of be my opinion, as Commissioner Gwin has suggested, if Manager Buchanan took an action as significant as terminating a senior level person in the County, and he didn’t have the support of the majority Board of County Commissioners, no matter what the contract is, I think he would be in a bit of a difficult spot. Whether we want to go back and add that in to make that clear or not, I’m not sure. Commissioner Miller.”

Commissioner Miller said, “Well, at this point, and once again, I ask the Commission to contemplate it. There doesn’t have to be any binding action at this moment. Of course if you do choose to go ahead and approve it as is, then that is binding and she has already signed on that contract. I just simply was aware and looking at, not logistically, but how the protocol follows, and it appeared to me there was one missing link and that would be the Board of County Commission. If we choose to simply leave it as it is then I can understand that.”

Chairman Winters said, “Alright. Mr. Buchanan do you have any comments to add at this time or not?”
Regular Meeting, January 15, 1997

Mr. Buchanan said, “You need to decide how you want to operate that and I’ll be happy to do that. Be assured that no matter how this comes out that I will visit with you before, during and after the process in our discussion with Corrie May and that would be my pledge to you that that will occur.”

Commissioner Miller said, “Very good.”

Mr. Euson said, “Mr. Chairman. If I could comment . . . the way I understand the contract is structured is, the County Manager would do an Annual Performance Review which would be for the purpose of determining whether the Coroner has complied with terms and conditions of her employment during the year. Any action regarding termination or that kind of thing rests with the Board of County Commissioners and remains in the Board Of County Commission. Surely by separate action, by amending the Managers job description or by informal action, the Board Of County Commission can require what is the Manager’s share of that Annual Performance Review with you. That’s all it is, just a review. That’s the purpose of that provision.”

Chairman Winters said, “Alright, thank you Rich. Commissioner, I kind of look to you if you want to form a new Motion, or if you want to . . .”

Commissioner Miller said, “I didn’t . . . There is a Motion on the table.

Chairman Winters said, “Oh we have a Motion on the floor.”

Commissioner Miller said, “I didn’t amend the Motion. I just simply asked for us to contemplate.”

Chairman Winters said, “Thank you. We have a Motion on the floor and let me clarify that our agenda says approve the contract and the Motion should include and authorize the Chairman to sign. That should be a part of the Motion. We have a Motion on the floor to approve this contract. Is there any further discussion, seeing none call the vote.”

Mr. Buchanan said, “Commissioners, you have the Consent Agenda before you and I would recommend you approve it.”

**MOTION**

Commissioner Schroeder moved to approve the Consent Agenda.

Commissioner Gwin seconded the Motion.

There was no discussion on the Motion, the vote was called.

**VOTE**

- Commissioner Betsy Gwin Aye
- Commissioner Paul W. Hancock Aye
- Commissioner Melody C. Miller Aye
- Commissioner Mark F. Schroeder Aye
- Chairman Thomas G. Winters Aye

**SELECTIONS**

Chairman Winters said, “Commissioner Hancock.”
Regular Meeting, January 15, 1997

MOTION

Commissioner Hancock moved to nominate Tom Winters as Chairman of the Board of County Commissioners for 1997.

Commissioner Gwin seconded the Motion.

Chairman Winters said, “We have a Motion and a second before the Board.”

Commissioner Schroeder said, “Mr. Chairman I would like to make a Substitute Motion, Melody Miller for the same position.”

SUBSTITUTE MOTION

Commissioner Schroeder moved to nominate Commissioner Miller as Chairman of Board of County Commissioners for 1997.

Commissioner Miller seconded the Substitute Motion.

Chairman Winters said, “Mr. Euson. In a second nomination process, can you help me with Substitute Motions in this process. Are Substitute Motions acceptable on nominations?”

Mr. Euson said, “To my knowledge the Commission’s have not adopted the Roberts’ Rules of Order. I think your question may well be in regard to what the common practice is and that’s certainly the standard for parliamentary procedure in meetings such as yours. My recollection of those rules requires in nominations that you accept a slate of nominations, not by Motion, but by any individual who wishes to place a name into nomination and you then vote on those, by Motion, in the order in which they are placed upon that slate. The proper procedure would be for you to open up the proceeding for the acceptance of nominations, and then vote on those nominations in the order in which they are received.”
Regular Meeting, January 15, 1997

Chairman Winters said, “Alright, if we would follow that procedure we would not have any Motions on the floor then, but we would accept nominations.”

Mr. Euson said, “That’s correct.”

Chairman Winters asked, “Do we need to take any action to remove the Substitute Motion and the Motion that we have on the floor now?”

Mr. Euson said, “I think that would be appropriate. Yes.”

Chairman Winters asked, “How do we go about doing that?”

Commissioner Schroeder said, “I’ll withdraw my Motion. Okay.”

Chairman Winters asked, “Do we have to have the seconds withdraw on that?”

Mr. Euson said, “I think that would be appropriate.”

Commissioner Miller said, “I withdraw my second.”

Chairman Winters said, “Commissioner Hancock will you withdraw your Motion.”

Commissioner Hancock said, “Yes.”

Chairman Winters asked, “Commissioner Gwin do you withdraw your second?”

Commissioner Gwin said, “I withdraw my second.”

Commissioner Schroeder said, “Then I would place Melody Miller’s name in for Chairman.”

Chairman Winters said, “Did I . . .”

Commissioner Schroeder said, “I’m sorry, go ahead. Go ahead.”

Chairman Winters said, “I recognize Commissioner Schroeder.”
Regular Meeting, January 15, 1997

NOMINATIONS

Commissioner Schroeder said, “I’d place Melody Miller’s name in nomination for Chairman.”

Chairman Winters asked. “Are there other nominations for this office?”

Commissioner Hancock said, “I nominate Tom Winters for Chairman.”

Chairman Winters said, “Thank you very much. Are there other nominations for this office?”

MOTION

Commissioner Schroeder moved to close nominations for this office.

Commissioner Miller seconded the Motion.

Chairman Winters said, “Commissioner Miller.”

Commissioner Miller said, “Just for clarification Mr. Chairman and probably County Counselor, once we have closed the nominations and we have our slate to vote on, you said in the order they will be voted on within the order in which they were nominated. Is that what I heard?”

Mr. Euson said, “They would be voted on in the order in which they were placed on the slate. That means Commissioner Miller is number one and Chairman Winters is number two on that slate.”

Commissioner Miller said, “Thank you. I do have follow up discussion.”

Chairman Winters said, “Okay. Continue.”
Regular Meeting, January 15, 1997

Commissioner Miller said, “For some of us the task at hand is nominating and voting for Chair of Sedgwick County. I contend that the issue at hand here today is much larger; one of integrity, fairness and balance. Some may say that a questionable housing arrangement has brought us to this discussion. I confidently say that my residency issue is not an issue and have had this very fact confirmed by both the 18th Judicial District Attorney and the State of Kansas Attorney General’s Office.

“It seems to me that as professionals, recognizing that the issue is no longer my house, but our house, that is the courthouse and how we conduct business here. Speaking of fairness, at Regular Meeting January 11th, 1995, I graciously declined an opportunity, and instead nominated my senior colleague, Tom Winters to serve as Chairman Pro- Temp because I personally felt that it was the right thing to do. Comments from the bench, specifically Commissioner Gwin, spoke to the positive direction the Board was taking, that is, starting down the path where the Chair position can be shared among the Commissioners, instead of remaining partisan.

“Let’s take a moment and look at where we are today. A house divided I say over what should be a non issue. Integrity, fairness and balance are missing. Commissioners that find it difficult to support me have frankly stated that they are worried about “poor public image” of my being Chair would saddle them and the County. When speaking of public image let’s be fair and honest. While each Commissioner has publicly, and some personally, expressed concerns about my residency (and let me put emphasis on my residency) which has been cleared.

“I have not heard one negative comment or repercussion from the media regarding the fact that a Commissioner has condoned the recent hiring of a family member..... when if I recall in the recent past former Commissioners were drilled and literally hung out to dry regarding the same issue. So, when it comes to public image, I have my concerns also and I challenge the Board to hold one another to the same high standard.

“The County credo, which is engraved in stone behind us reads...“FAIR AND IMPARTIAL GOVERNMENT; THE GOAL OF THE COMMISSION. Are we there yet? This whole ordeal dictates to me NO! Just as importantly, can we get there? This election for Chair is the test.
“Chairman Winters said, “Thank you very much Commissioner. I really don’t have anything prepared to say necessarily in response to any comments on this subject. Except I would like to make a quick couple of points. We are involved in partisan and politics whether we think that’s the best system, this country is based on a two-party system. I think the two-party system allows us a real opportunity to have legitimate disagreements on issues. I think it allows us that ability to have disagreements on direction proceedings and how we believe we should govern. I think it’s okay to disagree. I think that’s one of the reasons that our system is so successful. I think we are at a point in time where personally, some disagreements have developed. I pledge no matter what the outcome of this vote, I’m pledged to work first what my conscious tells me to do, what’s best for the County, what’s best for the State and then what I think is best for my party beliefs.

“I’m going to kind of stick by my guns and think there are some real community initiatives that are right in mid-stream and I think a change in leadership at this time would not be what I perceive as a direction that I think is best. I’m just going to vote my conscious on what I believe is a legitimate disagreement. It is certainly nothing to indicate that I don’t respect and admire the work of my Democratic colleagues on this Board because I certainly do. Again, no matter what the outcome of this vote I pledge to continue to work with all of you during the coming year. Are there any other comments on this Motion? We have a Motion to close the nomination. Any other discussion? Madam Clerk call the vote.”
