B. CONTRACT WITH VIRGINIA GRIFFIN FOR SEDGWICK COUNTY FIRE DISTRICT #1 TO PURCHASE REAL ESTATE TO BE USED FOR RELOCATION OF A FIRE STATION.

Mr. Bob Lamkey, Director, Division of Public Safety, greeted the Commissioners and said, “As you know, Sedgwick County Fire District has embarked on a plan to relocate a number of fire stations to better serve its constituents. The district, based upon a consultant’s recommendation, has determined that a location near 53rd North and Maize Road will best serve the operational needs of the department for a relocated Station 33. Current station 33 is located in Union Township, which is principally not in the Fire District and of course this, if you approve it, will be the first fire station that we build as part of our relocation plan.

The new location will provide better support to the growth area around Maize and will still provide a critical response to constituents near the current Station 33. The property we propose to purchase is nearly 74,000 square feet in two lots, with three residential structures, one owner-occupied and two rental units.

The Fire District has negotiated a purchase price of $62,000 plus some closing costs and that’s consistent with sales of comparable property in the area. The district will also provide nominal relocation expenses to displaced occupants. It has been our custom in the past, and again, I would recommend that you approve the agreement and authorize the Chair to sign and I’ll be happy to answer any questions.”

Chairman Sciortino said, “Thank you, Mr. Lamkey. Any question or comments, Commissioners? Go ahead, that’s fine.”

Commissioner Unruh said, “This first choice for our location? This is where we want to be?”

Mr. Lamkey said, “This is where we want to be. It’s about a tenth of a mile from the intersection of 53rd North and Maize Road, so it gives us a good way in and out and provides very good access to K-96, to support other service needs that we have, and of course one just needs to look at the map and look at the growth pattern in that area, so this is an ideal location for us.”

Commissioner Unruh said, “And we’ve had conversation with the community, related to the current location and they understand?”

Mr. Lamkey said, “They understand our requirement to move. As you know, the City of Colwich has involved here, fire department and contracts with the most substantial portion of Union Township, so they’re aware of this process.”

Commissioner Unruh said, “All right, thank you.”
Chairman Sciortino said, “Thank you. Commissioner Norton.”

Commissioner Norton said, “Is this property in the confines of the city limits?”

Mr. Lamkey said, “It is. It’s on the very north edge of Maize.”

Commissioner Norton said, “That’s all I have.”

Chairman Sciortino said, “Okay. Any further comments? What’s the will of the Board on this item?”

**MOTION**

Commissioner Burtnett moved to approve the Contract and authorize the Chairman to sign.
Commissioner Winters seconded the motion.
