					4" SOLID (Lin. Ft.)					
					TEMPORARY STRIPING (Line Mile)					

≠ These signs shall move with the Work Area. Mobile sign displays shall be mounted on trailers or other vehicles provided expressly for this purpose.

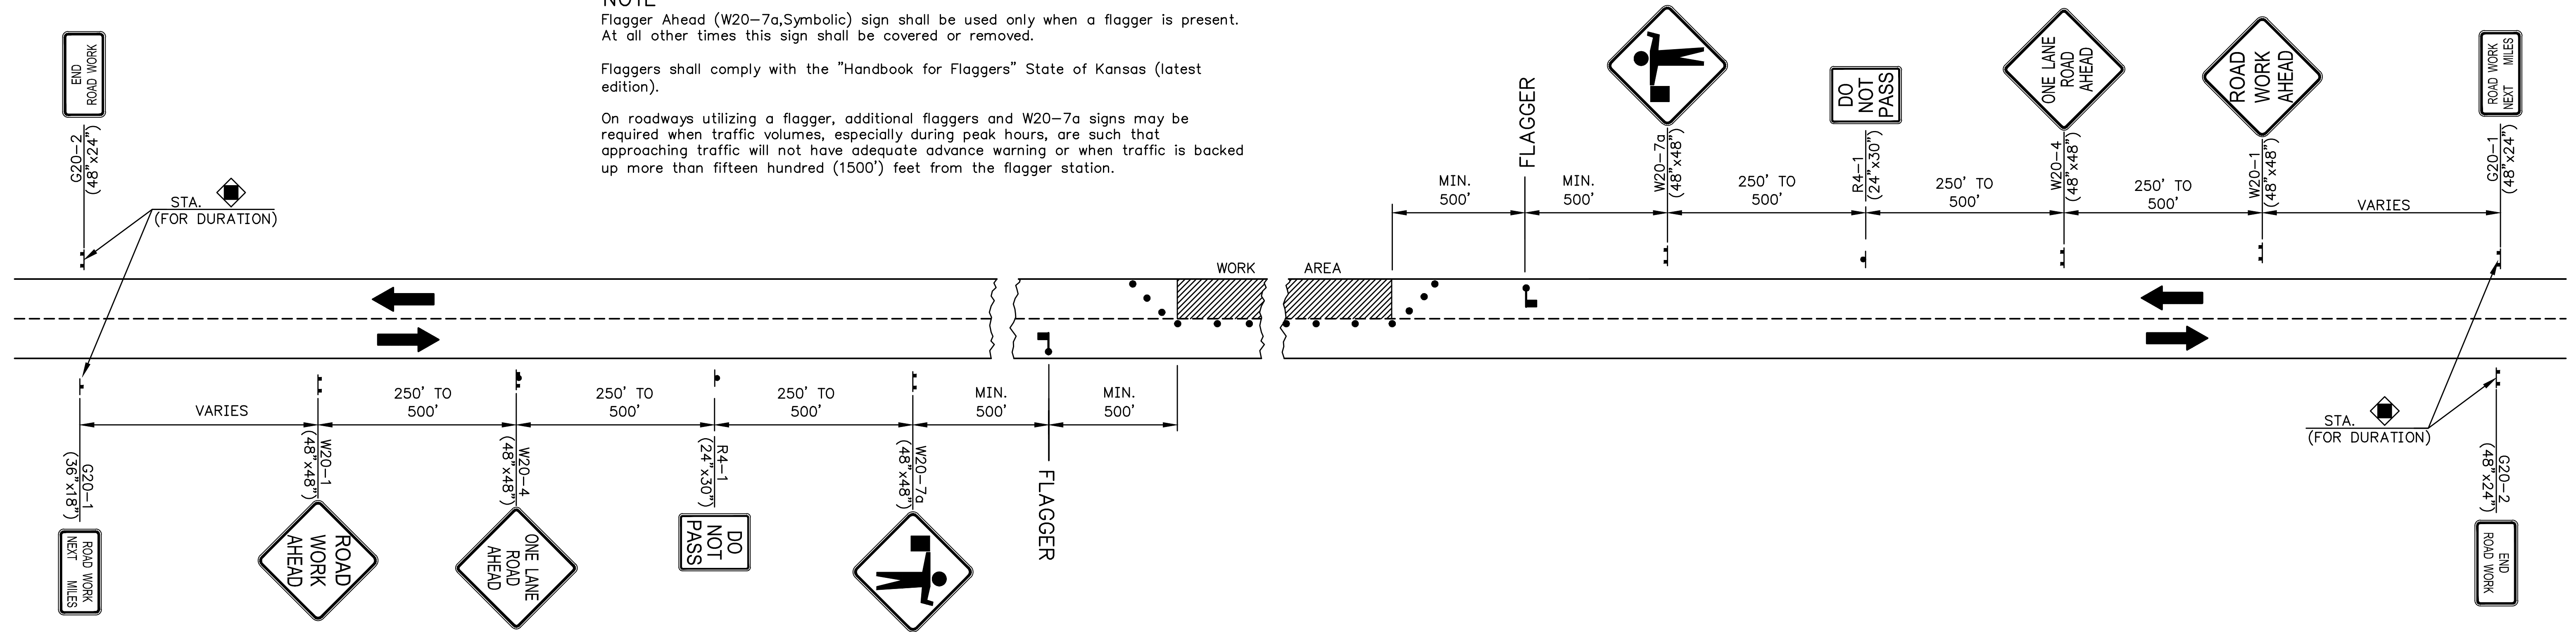

\* FOR INFORMATION ONLY

See Sheet Nos. SheetNumber & SheetNumber for Traffic Control Notes.

**NOTE**  
 Flagger Ahead (W20-7a, Symbolic) sign shall be used only when a flagger is present. At all other times this sign shall be covered or removed.

Flaggers shall comply with the "Handbook for Flaggers" State of Kansas (latest edition).

On roadways utilizing a flagger, additional flaggers and W20-7a signs may be required when traffic volumes, especially during peak hours, are such that approaching traffic will not have adequate advance warning or when traffic is backed up more than fifteen hundred (1500') feet from the flagger station.
