KEY PERFORMANCE INDICATOR OVERVIEW

The following section illustrates the Key Performance Indicators (KPI) of the departments reporting directly to the County Manager and for several elected and appointed positions. Department KPIs are used to benchmark performance during the year, while secondary and tertiary measures are used to pinpoint specific areas contributing to the overall KPI for a department. The process of measuring performance creates a focal point for strategic planning, while providing a communication device for the purpose of motivating staff around service delivery and priorities.

The following section outlines a portion of the 800-plus measures used by County departments to gauge performance.

The measures selected in this section contain a mix of direct results of operations, customer satisfaction scores and measures from external agencies. Information is provided for actual results obtained for 2012, an updated estimate for 2013, and a projection trend for 2014.
