Mission:

- Sedgwick County EMS is committed to providing the highest level of pre-hospital healthcare by promoting a positive and challenging environment that enables our staff to be the benchmark of efficient, effective, and compassionate pre-hospital care by which other EMS services are measured.

Program Information

Sedgwick County Emergency Medical Service (EMS) is the primary agency responsible for the pre-hospital care and transportation of persons who become acutely ill or injured and are in need of ambulance transport to a hospital using Advanced Life Support ambulances. Additionally Sedgwick County EMS provides scheduled ambulance transportation services for persons who require routine transfer by ambulance based on a medical necessity.

Sedgwick County EMS serves a population of approximately 470,000 in a geographic area of approximately 1000 square miles. There are 18 frontline ambulances in the EMS fleet that are stationed at 15 post locations throughout the County that are either owned in whole or shared with another agency. In 2007, Sedgwick County EMS responded to a record 46,945 calls for service. In addition to full-time and part-time staff, the Department receives first responder support from Volunteer Emergency Medical Technicians in Derby and

Valley Center and the Wichita and Sedgwick County Fire Departments.

Sedgwick County EMS is a regional Basic Life Support Training Center for the American Heart Association and paramedics offer Cardio-Pulmonary Resuscitation (CPR) classes for the community. EMS has also been proactive in the community to enhance the public's knowledge and understanding of services. In addition to CPR classes, Sedgwick County EMS frequently participates in programming in local schools. One of the most popular programs includes EMS paramedics visiting classrooms to educate children on accessing the emergency system, demonstrating EMS equipment used during service, and a tour of the ambulance. This program is designed to make them more familiar with EMS should they ever need to access the system. In addition to these programs, safety belt and child safety seats are a part of EMS injury prevention efforts. EMS staff promotes proper usage during school programs and community events.

Departmental Sustainability Initiatives

Sedgwick County EMS contributes to the region’s economy by being the largest EMS employer in the State of Kansas. Sedgwick County EMS employs a large portion of the new graduates from the local community college paramedic programs, thus attracting and retaining citizens with specialized medical training. Additionally, Sedgwick County EMS supports the KU School of Medicine through a partnership to allow medical residents to ride on the ambulances and with supervisors in order for them to complete their training requirements.

The Division works to mitigate its impact on the environment by researching and, when possible, purchasing ambulances and support vehicles with the newest technologies, thus minimizing the impact on the environment.

Social equity is a core initiative for the division as staff is dedicated to providing the same great service to every patient regardless of age, gender, race, religious preference or ability to pay for services rendered.

Financial accountability and viability are at the center of EMS practice and procedure. The EMS division generates revenue through insurance, Medicare and Medicaid payments. Staff is continually evaluating the billing processes to assure that an optimal amount of patient fee collection occurs. Maintenance programs for the EMS fleet are reviewed and updated regularly to prevent costly repairs of ambulances and vehicles by utilizing preventative maintenance programs. When filling shift vacancies due to vacation or illness, supervisors utilize the least costly staffing options available.

Department Accomplishments

In 2007, Sedgwick County EMS responded to a record 46,945 calls for service. Response times on average were:

- Emergency call - 6.3 minutes
- Non-life threatening emergencies – 7.53 minutes
- On time for scheduled transfers 88 percent of the time

In addition, 29 percent of cardiac arrests were delivered to the hospital with a pulse restored.

Staff training for 2007 included 3232 hours of continuing medical education. Staff was involved in developing and delivering the Disaster Medical Management and Procedures Course as part of the Department of Homeland Security State of Kansas all agency disaster drill.

Alignment with County Values

- **Equal Opportunity –**
EMS is dedicated to providing high quality and timely service that is equally accessible to all persons in need of pre-hospital care despite socioeconomic status
- **Commitment -**
EMS is committed to participating in continuing education programs that provide the most current and best practices in pre-hospital care
- **Open Communication -**
EMS provides public education programs to citizens of all ages including programs in local schools and CPR training

Goals & Initiatives

- **To provide professional, customer oriented, clinically sophisticated, and fiscally responsible care and transportation of the sick and injured**
- **To assist in the reduction of morbidity and mortality by being an active member in the healthcare community**
- **To assure that the community is provided with a highly competent staff of paramedics that are capable of delivering medically appropriate and timely intervention**

2007 Staff Awards included:

- Retired Director Tom Pollan was awarded the Lyle Eckhart award from the Kansas Emergency Medical Service Association for lifetime achievement.
- Paramedic Kevin Hartley was the recipient of the Kansas VFW Paramedic of the Year Award.
- Garry Tolle was awarded the Insurance Women of Wichita Paramedic of the Year award.

Budget Adjustments

Adjustments shown in the 2009 budget include the increase of for shift differential for second and third shifts from \$0.40 per hour to \$0.75 per hour which accounts for an increase of \$47,420. This measure was approved to bring the shift differential in line with other public and private organizations and aid in retention. In order to enhance the education programming for EMS staff, \$110,000 in overtime funding was included to allow for off-duty, large group trainings six times per year. Medical equipment for the INTRUST Bank Arena was included at \$77,835. The purchase and outfitting of a new ambulance to join the ready reserve fleet was also approved at \$201,397.

Budget Adjustments From Previous Fiscal Year

	Expenditures	Revenue	FTEs
- Medical Equipment - INTRUST Bank Arena	77,835		
- Enhancement of EMS Education Programs	110,000		
- Expansion of Ready Reserve Fleet - One Ambulance	201,397		
- Increase in shift differential for second and third shifts from \$0.40 per hour to \$0.75 per hour	47,720		
- Medical service operating supplies to cover inflationary increases	35,212		
- Cost Allocation Adjustment	105,980		
Total	578,144	-	-

Goal(s):

- Allocate resources to ensure Advance Life Support crew and ambulance arrives on emergency calls in less than 9 minutes to calls within the City of Wichita
- Allocate resources to ensure Advanced Life Support crew and ambulance arrives on emergency calls in less than 15 minutes in response to calls outside the City of Wichita

• EMS Accounts Receivable

Patient billing, revenue collection, and bad debt collection services are conducted by outside vendors with expertise in medical billing. Revenues collected and contingency fees paid to the vendor are monitored in this program. The vendor is paid a portion of the gross collected amount, pursuant to an existing contract. The actual amount paid to the vendor will change in proportion to the amount of revenue collected.
