COUNTY PROFILE

History

Originally a camping ground of the Osage and Wichita Indian tribes, Sedgwick County, Kansas, is thought to be a place of discovery for such explorers as Francisco Coronado and Kit Carson. The earliest European settler to the region was M. DuTissenet, a Frenchman operating under the direction of the governor of Louisiana, in 1719. DuTissenet brought with him soldiers, traders, and hunters who soon populated and transformed the region from prairie to a land of opportunity.

Sedgwick County was officially established nearly 150 years later on February 26, 1867, and bears the name of Civil War hero Major General John Sedgwick of the Union Army who was killed during the battle of Spotsylvania Courthouse in Virginia. After an initial failed attempt at establishing an official county government, the Governor of the State of Kansas appointed three Commissioners to aid in the effort. In April of 1870, the first county officials were elected and the county seat of Wichita was chosen.

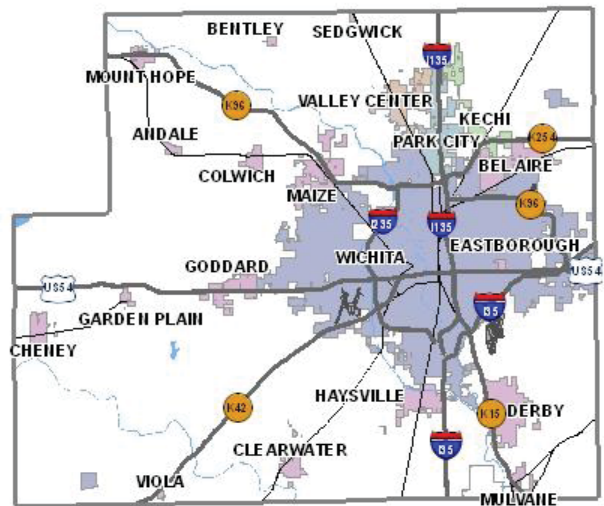

Geography

Occupying 1,008 square miles of land in South Central Kansas, Sedgwick County falls within the borders of the Arkansas River

Lowlands. It is noted for its extreme flatness, as its highest point is only 1,540 feet above sea level. The County's lowest point, approximately 1,220 feet above sea level, occurs along the southern border where the

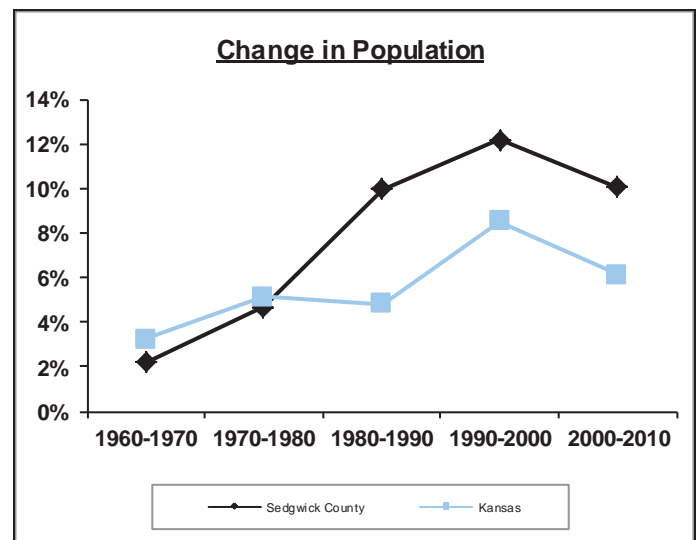

Arkansas River leaves the County.¹ Sedgwick County's largest city is Wichita, which is located along Interstate 35 with service areas to Interstate 135, U.S. 54, and various other highway projects.

Population

Sedgwick County is a growing region, currently home to an estimated 511,995 citizens. The County's population has increased 13.1 percent since 2000 and has increased significantly faster than the population of Kansas as a whole (8.1 percent since 2000). According to 2016 census estimates, Sedgwick County surpassed the half-million mark with an estimated 500,900 people in 2011.

The population of Sedgwick County is expected to grow to approximately 630,439 by 2064.

In addition to a strong growth trend, the *U.S. Census Bureau, 2015 American Community Survey*, reports Sedgwick County is a relatively young community, with 87.3 percent of its population younger than the age of 65. By 2064, however, the number of citizens age 65 and older is expected to increase to 140,817, a 116.4 percent change from 2014 to 2064.

Racial/Ethnic Composition

Although Sedgwick County is home to citizens of many diverse ethnic and cultural backgrounds, census data reveals that a large portion of the population (68.4 percent) is White/Caucasian, non-Hispanic. The most populous minority groups within the Sedgwick County

population are Hispanic of any race (14.1 percent), Black or African American (9.4 percent), and Asian (4.7 percent).²

Among its residents, Sedgwick County also has citizens who consider themselves to be of two or more races (2.4 percent) or of another race than those listed (1.0 percent).

Education

With 20 school districts in the public school system, 39 schools within the Catholic Diocese, and several private educational institutions, education is a community priority in Sedgwick County. An educated citizenry generally benefits an entire community because it typically includes a lower than otherwise unemployment rate and more individuals who get involved, vote, and perform community service.

As of 2015, among residents age 25 and older, 27.8 percent have earned at least a high school diploma. In Sedgwick County, another 25.6 percent of the population has some college but no degree, while 7.5 percent has earned an associate’s degree.

According to the *2015 American Community Survey*, approximately 17.6 percent of residents age 25 and older have at least a bachelor’s degree. Sedgwick County also has 10.1 percent of residents age 25 and older who report having a graduate or professional degree.

In August 2010, the National Center for Aviation Training (NCAT), a 230,000 square foot state-of-the-art training facility, opened. Facing a future shortage of skilled aviation workers, this world-class aviation training facility is a critical step to keep Kansas' aviation industry globally competitive. Sedgwick County's ability to train workers locally will enhance the community's ability to keep aerospace manufacturing jobs in Kansas.

In addition to NCAT, there are more than 10 institutions of higher education located in Sedgwick County. Wichita State University, Friends University, Newman University, the Wichita Area Technical College, and the University of Kansas School Of Medicine - Wichita all have main campuses in the County, while six other colleges and universities have chosen to locate branch campuses within the County.

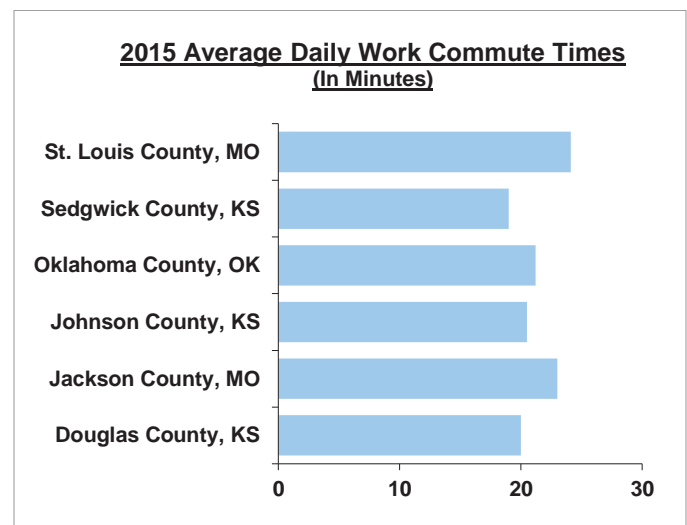

Transportation

Sedgwick County has multiple transportation options available to residents, businesses, and travelers. Interstate 35 - the only Midwest interstate highway that connects Canada, the United States, and Mexico - runs directly through Sedgwick County, providing an

optimum north/south route for residents who are traveling and for businesses in the area that wish to import or export goods. For those wishing to travel or ship goods east or west from Sedgwick County, two primary options exist. Interstate 70 lies 90 miles north of Wichita, while Interstate 40 lies approximately 150 miles to the south. As a result, truck transportation companies are prevalent in Sedgwick County.

Air transportation is another viable option. Although under the jurisdiction of the City of Wichita, Sedgwick County is home to Wichita Dwight D. Eisenhower National Airport, the only commercial airport in south-central Kansas. The facility currently services four major cargo carriers and six major passenger airlines, including Alaska Airlines, Allegiant Air, American Airlines, Delta Airlines, Southwest Airlines, and United Airlines. These airlines offer non-stop service to nine different destinations across the United States, including Atlanta, Chicago, Dallas/Fort Worth, Denver, Houston, Las Vegas, Los Angeles, Minneapolis/Saint Paul, Phoenix, and Seattle.

Due in part to Sedgwick County's comprehensive network of highways and local roads, the average daily work commute time is less than in many similar counties. In 2015, the average commute time for a Sedgwick County resident was 19.0 minutes, which is less than comparable times in St. Louis County, Missouri (24.1 minutes) and Johnson County, Kansas (20.5 minutes).

Public Safety

Sedgwick County continues to place high priority on public safety, with more than one-third of all County

expenditures being spent on public safety. As a full service government, Sedgwick County has jurisdiction over Sedgwick County Fire District 1, Emergency Medical Services (EMS), and the Sheriff’s Office.

an airplane.

In 2016, Sedgwick County Fire District 1 responded to 9,398 alarms. In total, the dedicated crews of the nine fire houses saved 91.0 percent of affected property, totaling \$51.5 million in property saved, including

patients to hospitals and other destinations; EMS responded to 90.7 percent of urban, life-threatening calls in less than nine minutes.

Sedgwick County EMS provides emergency response and scheduled transfers for the citizens of the County. Through the use of Advance Life Support ambulances, EMS service is provided 24-hours a day, 365-days a year. In 2016, EMS responded to 62,182 calls and transported 42,868

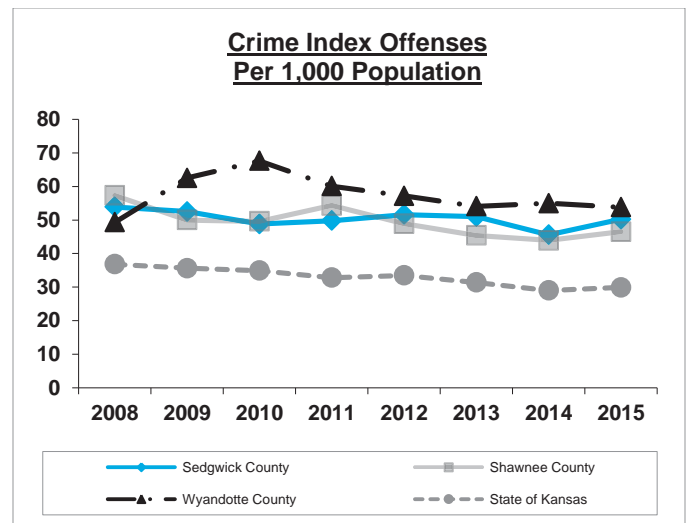

one of the largest jails in the State of Kansas. From 2015 to 2016, the total daily average inmate population increased a negligible amount, from 1,424 to 1,425.³

Because Sedgwick County has 20 cities, there are numerous law enforcement agencies in the area in addition to the Sedgwick County Sheriff’s Office. The Sheriff’s Office patrols the unincorporated portions of Sedgwick County and operates a 1,158 bed adult detention facility, which is

According to the Kansas Bureau of Investigation, the Sedgwick County crime index offenses per 1,000 populations has decreased slightly during the past eight reported years, from 2008 to 2015 (53.9 to 50.2). Comparatively, Sedgwick County had fewer crime index offenses per 1,000 populations when compared with Wyandotte County, Kansas, but was higher than the 2015 State of Kansas average (29.9).

Health Care

Home to approximately 2,850 licensed hospital beds, Sedgwick County continues to lead the region in healthcare options. Within the community, there are 17 acute care and free-standing hospitals, each serving the needs of the community by providing acute, general, and specialized care. Additionally, Sedgwick County has over 50 nursing homes and assisted living facilities for those in need of special care.⁴

Sedgwick County also provides services to those in need of mental health care as well as addiction services and substance use disorders through Comprehensive Community Care of Sedgwick County (COMCARE). The Division collaborates with other agencies in the community to provide services. Since 2002, the number of consumers in the COMCARE system has continued to increase as evidenced by the projected unduplicated count for 2017 increasing to 16,000 compared to the 2016 projection of 13,074.

Arts, Culture & Entertainment

As an expanding metropolitan area, Wichita and Sedgwick County work to provide quality community

entertainment and recreation. After two years of planning and community input, Sedgwick County broke ground in December 2007 for the INTRUST Bank Arena, a 15,000 seat multi-purpose arena in the heart of

⁴ <http://www.greaterwichtapartnership.org/>

downtown Wichita. The Arena was funded through a 30 month, one-cent, county-wide sales tax, which generated receipts of \$206.5 million. The Arena opened in January 2010 and has successfully hosted numerous types of events, including family shows, sporting events, and concerts. One of the goals of building a world-class arena was to assist in the revitalization of downtown Wichita.

Not far from the INTRUST Bank Arena, the City of Wichita continues its work to develop the downtown area known as Old Town. This urban entertainment district has more than 100 shops, nightclubs, movie theaters, art galleries, and businesses. With continued growth of entertainment activity in downtown Wichita, Old Town has become a hot spot for dining, shopping, and nightlife as well as a place to live and stay.

Sedgwick County is also a proud sponsor of the Sedgwick County Zoo, the number one outdoor family attraction in the State of Kansas. Founded in

1971, the Zoo is ranked among the best zoos in the world, receiving numerous national and international awards. Occupying 247 acres, the Zoo is home to such exhibits as the Slawson Family Tiger Trek, the Downing Gorilla Forest, the Koch Orangutan & Chimpanzee Habitat, and the Cessna Penguin Cove. In 2016, the ‘Reed Family Elephants of the Zambezi River Valley’ exhibit opened to the public.

Wichita is home to the Wichita Thunder, a minor league hockey team; the Wichita Force, a professional indoor football team; the Wingnuts, a minor league baseball team; and FC Wichita, a minor league outdoor soccer team. These teams provide hundreds of hours of entertainment each year for the citizens of Sedgwick County and from surrounding areas.

In addition to these centers of culture and entertainment, Wichita and Sedgwick County have 33 museums and numerous cultural events including Ballet Wichita, Music Theatre of Wichita, Wichita Symphony Orchestra, and the Wichita Grand Opera. Wichita also has a broad selection of restaurants, offering every type of cuisine and style of food imaginable.

Events

Each year Sedgwick County takes part in numerous community activities. Support ranges from event

sponsorship to employee participation. Some examples of events that the County has participated in include:

- Wichita Riverfest
- Wichita Flight Festival
- Air Capital Classic golf tournament
- Sedgwick County Fair
- City and town fairs and festivals
- Big Brothers Big Sisters Bowling Tournament
- Habitat for Humanity

GOVERNMENT

Organizational Structure

The County has recently undergone a reorganization. An updated organizational chart in its entirety can be found on the last page of this section.

Elected Officials

Sedgwick County is governed by a five-member Board of County Commissioners (BOCC) that meets in regular weekly sessions with the exception of the last Wednesday of every month. Commissioners are elected according to geographical area (districts) and serve four-year terms with those terms overlapping. The Commissioners are full-time County officials and perform all executive, legislative, and policy-related functions. The Board also governs Sedgwick County Fire District 1, a separate special-purpose local government. The Chairman of the Board is elected by the Commissioners and serves a one-year term, January through December. The BOCC is comprised of the following individuals:

Commissioner	District	Term Expires
Dave Unruh, Chairman	1st District	January 2019
Michael O'Donnell II	2nd District	January 2021
David Dennis	3rd District	January 2021
Richard Ranzau	4th District	January 2019
Jim How ell	5th District	January 2019

In addition to the BOCC, citizens of Sedgwick County elect the following positions:

- County Clerk
- Register of Deeds
- County Treasurer
- Sheriff
- District Attorney
- 18th Judicial District Judges

Appointed Officials

Sedgwick County was recognized by the International City-County Management Association (ICMA) in 1981 as a Council-Manager form of government. Therefore, the Board appoints a professional County Manager to administer most County functions and to implement policy decisions. Tasks of the County Manager range from the management of special projects to the daily functions of the County’s nearly 3,000 employees.

The BOCC also appoints the:

- County Counselor
- County Appraiser
- Assistant County Manager for the Department of Public Works, Facilities Maintenance & Project Services

The Kansas Secretary of State is responsible for appointing an Election Commissioner for Sedgwick County.

In addition to the County government, Sedgwick County contains 27 townships, 20 cities, 20 unified school districts, 11 recreation commissions, ten improvement districts, nine tax increment districts, seven cemetery districts, five drainage districts, four watershed districts, two redevelopment districts, two library districts, one fire district, one groundwater district, and one hospital district. Ten of the unified school districts, two of the cities, one of the improvement districts, and the hospital district cross the border into another county.

County Services

Sedgwick County prides itself on being a full-service government for all of its citizens. Community residents are familiar with the concept that Sedgwick County provides services from A – Z: everything from Animal Control to the Sedgwick County Zoo. In addition to the aforementioned services provided by the elected and appointed officials, Sedgwick County provides services pertaining to community development, culture and recreation, finance, health, human services, information and operations, and public safety.

ECONOMIC OUTLOOK

Employment

The United States Department of Labor reported that the average 2016 Labor Force for the Wichita Metropolitan Statistical Area (MSA) was 309,338 residents, a slight

decrease of 0.2 percent from 2015. Of those who are eligible for employment, approximately 95.3 percent (294,792) were employed in 2016. Wichita MSA’s unemployment rate as of April 2017 was 4.0 percent, slightly lower than the U.S. unemployment rate of 4.1 percent.

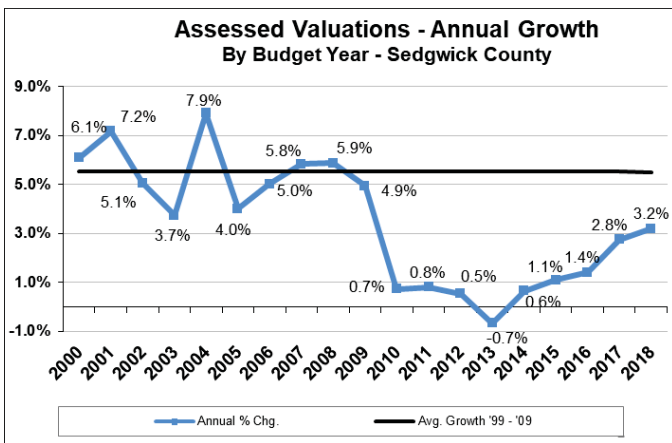

Source: U.S. Department of Labor

Sedgwick County’s unemployment rate has varied since 2002, but was consistently around 4.0 percent in 2006, 2007, and 2008. In 2009, the rate increased to 8.8 percent, peaked at 9.0 percent in 2010, and has steadily declined since.

Property Values/Tax Payers

Similar to other jurisdictions, Sedgwick County has continued to address modest growth in property valuations by making operational changes. Prior to the national recession, assessed property valuations grew by an average of 5.5 percent annually between 1999 and 2009. Since that time, assessed valuations were below 1.0 percent for three years (2010 to 2012), and fell in value for the 2013 budget by 0.7 percent. In 2016, there was an increase to 1.4 percent, and assessed value increased to 2.8 percent in 2017. Assessed value increased by 3.3 percent in 2018.

Beechcraft Corporation	42,260,322	0.93%
The Boeing Company	36,989,675	0.82%
Cessna Aircraft Company, Inc.	36,783,311	0.81%
Total	\$336,471,385	7.42%

Retail Trade

The Wichita MSA has numerous retail centers, including New Market Square, the Waterfront, and Bradley Fair, which had encouraged industry growth until the economic decline occurred. However, retail trade employment has been increasing, specifically by 3.1 percent from 2012 to 2013 and 1.4 percent from 2013 to 2015, year-over-year.⁵

Industry

Sedgwick County is home to more than 12,500 business establishments. Between 2006 and 2011, employer establishments in Sedgwick County increased annually by 1.1 percent, which was higher than the average annual percentage change in Shawnee County, Kansas (0.6 percent), but lower than Johnson County, Kansas (2.1 percent). Also, the percentage change in the State of Kansas' employer establishments between 2006 and 2011 was 0.9 percent, with a decrease of 4.0 percent from 2011 to 2012 and a decrease of 0.6 percent from 2012 to 2013.⁶ The number of employer establishments in Sedgwick County increased by 2.0 percent in 2015 to a total of 12,571.

In Sedgwick County, residential property accounts for the largest percentage (61.3 percent) of the total assessed value of real property. The second largest is commercial property, comprising 35.4 percent of the County's total assessed value of real property. The large percentage of residential property shows that individuals and families recognize the County as a growing community where they can purchase a home and establish roots, while the large portion of commercial property shows that the County's business environment is also favorable.

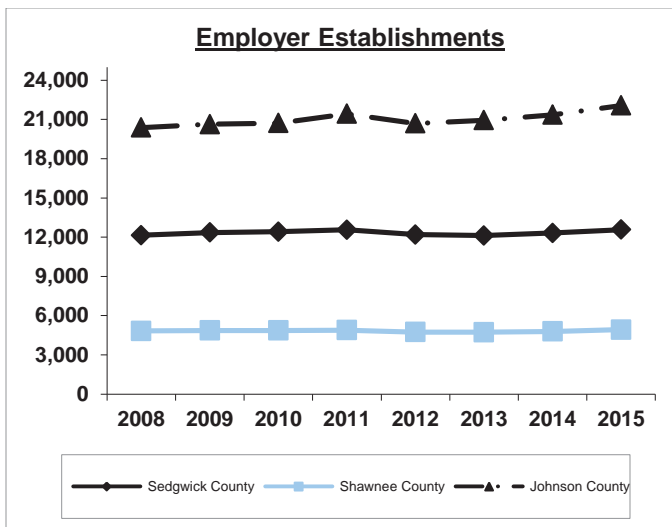

Source: Sedgwick County Appraiser, 2017

Another economic indicator is the total assessed value of the largest five taxpayers compared to the total assessed valuation of the County. A concentrated property tax base can be detrimental to a community in times of economic downturn, especially if a jurisdiction's largest taxpayers are in the same industry. Sedgwick County's largest five taxpayers comprised 7.42 percent of the County's total assessed value in 2016.

Education & Health Services

A rapidly growing industry across the entire nation, education and health services also continue to grow in Sedgwick County. In the Wichita MSA, 16.0 percent of positions are in various areas of educational and health services. Wichita is currently home to several specialist hospitals which provide specific care as well as numerous doctors’ offices and medical complexes. The Center for Economic Development and Business Research noted that Wesley Healthcare opened a \$10 million Derby medical facility in November 2016 and has planned \$19.5 million in renovations for its Hillside campus in Wichita in 2017.

Several buildings will open or begin construction in 2017 on the Wichita State University Innovation Campus, including the Airbus Wichita engineering center and the Experiential Engineering Building. The Airbus Wichita building will bring approximately 400 employees and applied learning opportunities for students. The Experiential Engineering Building will house 25 laboratories, including design studios and manufacturing capabilities, to foster creativity and entrepreneurship.⁸

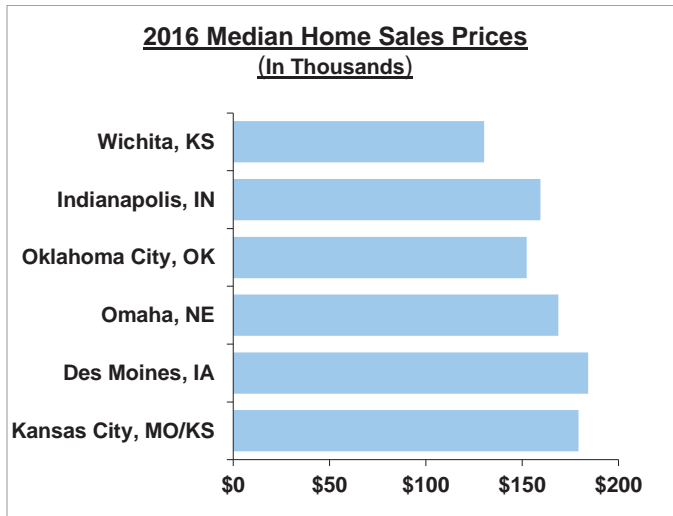

Cost of Living/Housing

The current overall cost of living in Wichita is below the national average of 100 on the Overall Cost of Living
