Addendum #1

June 13, 2013

The following is to ensure that vendors have complete information prior to submitting a proposal. Here is a clarification regarding On-Line Training for CDDO.

Questions and/or statements of clarification are in bold font, answers to specific questions are italicized.

1) The proposal states that the contract period will run for one (1) year with two (2) one (1) year options to renew. Is it possible to contract for a 36 month or 3 year term?

Answer: We will accept a 36 month or 3 year contract.

2) Will we have the opportunity to negotiate some of the terms of the agreement in the final contract or should we address items for negotiation in the proposal response?

Answer: It is preferred to state clearly any terms or conditions to be addressed for possible negotiation in your proposal response.

Firms interested in submitting a proposal, must respond with complete information and all supplementary materials and **deliver on or before 1:45 p.m. (CDT), Tuesday, June 18, 2013.** Late proposals will not be accepted and will not receive consideration for final award.
