**Request for Proposal
Firing Range Berm Remediation
#13-0075
Addendum #1**

July 17, 2013

The following is to ensure that vendors have complete information prior to submitting a proposal. Here is a clarification regarding the Firing Range Berm Remediation proposal.

Questions and/or statements of clarification are in bold font, answers to specific questions are italicized.

1) In section 10, it states that 3 years experience and 3 references are required. Is this a stringent requirement?

Answer: For this proposal, we are waiving this particular requirement, however, you must state clearly in your proposal any experience you possess and provide detail contact information of any references you may have.

2) In section 10, it requires proper certification or license for the services specified in the RFP. What license and permitting are we requiring?

Answer: This is a general statement requiring the vendor or contractor to verify if licensing or certification for the particular scope of work is needed and to provide such.

3) Please advise if there is a source of water available on site.

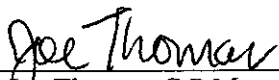

Answer: No water source is available on site.

4) Referring to section 5 (Insurance Requirements), is proof of insurance coverage required upfront to bidding?

Answer: The requirements of this section state that the certificate shall be provided with bid/proposal submittals.

Firms interested in submitting a proposal, must respond with complete information and all supplementary materials and deliver on or before 1:45 p.m. (CDT), Tuesday, July 23, 2013. Late proposals will not be accepted and will not receive consideration for final award.

PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE PROPOSAL RESPONSE PAGE.
