Request for Proposal
Illegal Dumpsite Cleanup
#13-0096
Addendum #1

September 24, 2013

The following is to ensure that vendors have complete information prior to submitting a proposal. Here is a clarification regarding the Illegal Dumpsite Cleanup proposal.

Questions and/or statements of clarification are in bold font, answers to specific questions are italicized.

1) If the job is large, can it just be started in 24 hours, not necessarily be finished in 24 hours?

Answer: A large job could be started within 24 hours and completed within a reasonable time frame per agreement with the County based on size and type of materials.

2) Can the pricing be rated as 1) minimum, 2) average, or 3) large?

Answer: Pricing is based on hourly rates for the cleanup and receipts for the disposal fees. The large jobs will incur more time and disposal fees and result in higher total costs. There is no need to bid on them differently than an hourly rate.

3) Are there a minimum or maximum number of lots to consider in one 24 hour period?

Answer: This will be an on-call service and there will not be illegal dumpsite cleanups each and every day. The County will work with the awarded vendor on establishing a reasonable schedule for each dumpsite since they will vary.

Firms interested in submitting a proposal, must respond with complete information and all supplementary materials and **deliver on or before 1:45 p.m. (CDT), Tuesday, October 1, 2013**. Late proposals will not be accepted and will not receive consideration for final award.
