**REQUEST FOR BID
#14-0042
POWER WASH AND SEAL MAIN COURTHOUSE BLUE BRICK**

ADDENDUM #1

April 29, 2014

The following information is in regard to **RFB 14-0042**

1. How are project payments made to the contractor; monthly or percentage of completion?

Payments are made monthly and should be invoiced by percentage of completion.

2. Does the project have a completion date?

The project does not have an established completion date but the County is expecting the work to start as soon as a favorable weather window is available and be completed as soon as practicable. The desire is for the work to be done in a continuous fashion and not be filler work between other jobs.

3. Can work be done until midnight with proper lighting on washing and sealing only?

The vendor can begin staging equipment and material before 5:30 p.m. and can secure equipment and material after dark if they provide their own lighting equipment, but no power washing or sealing will be done outside the established work hours of 5:30 p.m. until dusk. For the purpose of this work, dusk is defined as 30 minutes after sunset.

Vendors are responsible for checking the web site and **acknowledging any addendums on the proposal response form.**
