1. OBJECTIVE

The County has identified the following objectives for securing Snow & Ice Removal Services described herein:

- 1.1 Snow & Ice Removal Services meeting the parameters, conditions and minimum requirements presented in this document.
- 1.2 Procure Snow & Ice Removal Services with the best proven "track record" in performance and service.
- 1.3 Procure Snow & Ice Removal Services with the most advantageous overall cost to the County.

2. SCOPE OF WORK

Services acquired under this solicitation will include sidewalk and parking lot snow removal, and may include any/all facilities owned by Sedgwick County (all facilities are located within Sedgwick County). The following are minimum requirements for work under this contract. All costs associated with such requirements shall be included in rates quoted.

- 2.1 Vendor shall clear identified project area of all current accumulation of snow/ice. Areas may include but are not limited to entrances, ADA ramps, crosswalks, sidewalks, driveways, and parking lots.
- 2.2 De-icing materials shall be applied to all pedestrian access/egress points, walking, crosswalks, steps, sidewalks and ADA ramps during or immediately after snow removal. De-icing products must be environmentally friendly and approved for safe use on concrete and asphalt surfaces. De-icing product shall not be sand, unless specifically requested by County staff. De-icing materials are not required for parking areas.
- 2.3 Vendor shall place cleared snow/ice in a safe location, onsite, not blocking foot traffic, handicap or other parking located directly in front of facility, or any location where damage to structure may occur.
- 2.4 Vendor shall provide appropriate staffing and equipment to meet or exceed industry standards based on project size and depth of snow/ice. Vendor shall not use equipment that will cause damage to surface.
- 2.5 Vendor shall notify requesting department immediately upon completion and remain on site until project completion satisfaction is met or authority is provided by County staff to leave premises after hours.
- 2.6 Vendor shall be responsible for using equipment and labor necessary for removal according to industry standards and best practices.

Snowfall accumulation in addition to safety of employees and constituents depending on the office will determine whether or not services are requested. Historically, sidewalks and other pedestrian areas are cleared as soon as snow/ice accumulates. The clearing of parking lots by large equipment is generally not required until snow accumulations exceed 6"; however, experience and industry standards, should guide the use of equipment/materials.

The locations on attachments below (chart and map) are currently owned by Sedgwick County and should be considered when developing a bid response. These documents or locations therein may change at any time based on the needs of Sedgwick County.

3. WARRANTY

Vendor shall be responsible for any damage to facilities, including buildings, vehicles or concrete/pavement materials in project area.

Foreign (non-Kansas) corporations shall furnish evidence of authority to transact business in Kansas, in the form of a Certificate signed by the Kansas Secretary of State; and 2) a copy of the Corporation Resolution evidencing the authority to sign the Contract Documents, executed by the Corporation's Secretary or Assistant Secretary.
25. Sedgwick County will not award to any vendor that is currently listed in the exclusion records of the SAM (System for Award Management) website maintained by the General Services Administration (GSA) or to any vendor presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency.
26. Upon award, the bidder agrees to execute and deliver to the County a contract in accordance with the contract documents (if applicable) within ten days of notice of the award to the bidder. The bidder agrees that the surety/deposit given concurrently herewith will become the property of the County in the event the bidder fails to execute and deliver such contract within the specified time. In the further event of such failure, the bidder will be liable for the County's actual damages that exceed the amount of the surety.
27. It will be understood that time is of the essence in the bidder's performance. The bidder agrees that the County's damages would be difficult or impossible to predict in the event of a default in the performance hereof; and it is therefore agreed that if the bidder defaults in the performance of the contract documents, the bidder will be liable for payment of the sums stipulated in the contract documents as liquidated damages, and not as a penalty.
28. The bidder hereby certifies that he or she has carefully examined all of the documents for the project, has carefully and thoroughly reviewed this Request for Bid, has inspected the location of the project (if applicable), and understands the nature and scope of the work to be done; and that this bid is based upon the terms, specifications, requirements, and conditions of the Request for Bid documents. The bidder further agrees that the performance time specified is a reasonable time, having carefully considered the nature and scope of the project as aforesaid.
29. It will be understood that any bid and any and/or all referencing information submitted in response to this Request for Bid will become the property of Sedgwick County, and will not be returned. 30. Sedgwick County will not be responsible for any expenses incurred by any vendor in the development of a response to this Request for Bid including any onsite (or otherwise) interviews and/or presentations, and/or supplemental information provided, submitted, or given to Sedgwick County and/or its representatives. Further, Sedgwick County will reserve the right to cancel the work described herein prior to

issuance and acceptance of any contractual agreement/purchase order by the recommended vendor even if the Board of County Commissioners has formally accepted a recommendation.

31. By submission of a response, the bidder agrees that at the time of submittal, he or she: (1) has no interest (including financial benefit, commission, finder's fee, or any other remuneration) and will not acquire any interest, either direct or indirect, that would conflict in any manner or degree with the performance of bidder's services, or (2) benefit from an award resulting in a "Conflict of Interest". A "Conflict of Interest" will include holding or retaining membership, or employment, on a board, elected office, department, division or bureau, or committee sanctioned by and/or governed by the Sedgwick County Board of County Commissioners. Bidders will identify any interests, and the individuals involved, on separate paper with the response and will understand that the County, at the discretion of the Purchasing Director in consultation with the County Counselor, may reject their bid/quotation. The bidder certifies that this bid is submitted without collusion, fraud or misrepresentation as to other bidders, so that all bids for the project will result from free, open and competitive bidding among all vendors.
32. Sedgwick County will issue a purchase order/contract for the acquisition of products/services specified as a result of an award made in reference to this document. Contract documents will be subject to any regulations governed by the laws of the State of Kansas and any local resolutions specifically applicable to the purchase.
33. Any dispute arising out of the contract documents or their interpretation will be litigated only within the courts of the State of Kansas. No prepayment of any kind will be made prior to shipment. Payment will be made upon verification of delivery, compliance with specifications, assurance that the product/service performs as specified and warranted, and receipt of correct invoicing.
34. Sedgwick County will accept responses transmitted via a facsimile unless stated to the contrary within this document. Bids must be received prior to the time and dates listed to be considered responsive. Sedgwick County will not accept late responses and will return them to the sender. Further, Sedgwick County will NOT: (1) guarantee security of the document received; (2) be held responsible for Bids which are NOT legible (and may choose to reject such responses); and, (3) guarantee that the receiving facsimile machine will accept transmission or that phone lines are functioning and available for transmission. Submitting a bid response via facsimile does NOT relieve the bidder of: (1) responsibilities stated in the document (such as attendance at a mandatory pre-bid conference); (2) providing non-paper informational items which must be returned with the response (diskettes, large drawings, photographs, models, etc.); and, (3) providing original copies of bid sureties (bonds, certificates of insurance, etc.).
