**Request for Bid #15-0021**  
**Preventive Maintenance and On-Call Support: Backup Generators**  
**Addendum #1**

March 2, 2015

There have been several requests to view the generators for purposes of this bid. There will be time set aside this Thursday, March 5<sup>th</sup> beginning at 9am.

We will be meeting inside the main courthouse, at the loading dock toward the northwest side of the building. Vendors must enter through the front doors and pass through security first. The security guards can be asked for general directions to the loading dock and a county employee will be at the door in the hallway to assist vendors in finding the right place.

**If you plan to attend this meeting, please send an email advising of such to [Kimberly.J.Evans@sedgwick.gov](mailto:Kimberly.J.Evans@sedgwick.gov) by 12pm, Wednesday, March 4<sup>th</sup>.**

All vendors are responsible for transportation between locations. This meeting is not required, but will be the only time available to view the sites. County staff will attempt to make the best effort to see each genset on the list in the RFB.
