RFP #15-0051

Architectural and Engineering Services

Design and Construct Garage

Addendum No. 1

1. Is Landscape design required for this project?

Yes.

2. Are there any Architectural Review Boards that we have to present to?

As with all County plans, a review will be required for the entire set of plans. The review will be conducted by the City of Wichita Metropolitan Area Planning Department (MAPD) for approval.

3. Who provides the boundary survey, topographical survey and the geo-technical report?

This will be services the awarded vendor will provide.

The legal description for the proposed site is: generally located at the northwest corner of Handley Street and Stillwell Avenue. Lots 13 to 17 inclusive and ½ vacant alley. Block 5 Franklin Yike Addition.

Ambulances are currently Ford, E450 Series measuring 22' - 10" long. The new series, Ford/Dodge will measure 25' - 8" long.
