1. Refer to the "Site" page of the LETC Program document
 - a. Program Site page....change parking for 250 cars to 200 -250 cars.
 - b. Program Site page....change secured parking for 10 vehicles to 6 vehicles.
2. Within the LETC Program document is listed space for the SCSO Quarter Master office in the amount of 1,400 S.F. and WPD Quarter Master Office/Supply in the amount of 1,400 S.F. It is preferred but not essential that these Quarter Master functions be included as part of the LETC therefore proposals that are not large enough to accommodate this space will be considered."
