December 1, 2015

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the proposal for Patient Simulators for the Emergency Medical Service System (EMSS).

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

1) We are not seeing any request for services such as Training and Installation, EXW, Preventative Maintenance or Loaner in the proposal. Do we need to add to the proposal?

Answer: Please be sure to include all pertinent information in your proposal response. We will evaluate all options presented before making a final decision. However, be sure to complete the requested information found on pages 4-8, 11 and 12.

Firms interested in submitting a proposal, must respond with complete information and **deliver on or before 1:45 p.m. CST, Tuesday, December 8, 2015**. Late proposals will not be accepted and will not receive consideration for final award.
