REQUEST FOR BID  
#16-0001  
PRE-FABRICATED RESTROOM FACILITY  
ADDENDUM #1

January 21, 2016

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the bid for RFB 16-0001 Pre-Fabricated Restroom Facility.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

- 1. Since the building requirements cited in the RFB are specific to one modular restroom manufacturer, we would be interested to know if there are any circumstances under which the county will accept functional alternatives to the items in Section III?**  
*The specifications were created based on a building that would work for the county's needs, but the requirements are not specific to any one single vendor. Information that was found during the discovery phase and that has been received since the letting of the bid request indicates that more than one vendor can provide a pre-fabricated building that meets the specifications in the RFB.*
- 2. Does the county have a make and model of the unit that these specifications were based on?**  
*No, the county does not.*
- 3. Does the county have a floor plan and elevation of the model?**  
*No, the county does not. The county seeks a design that best meets the specifications in the RFB. A vendor may submit more than one plan for consideration. All qualified responses must utilize solid formed concrete construction, CMU or block construction will not be accepted.*
- 4. Insurance certificates are usually provided by the vendor after an award is made, is this acceptable?**  
*Insurance certificates will need to be provided with the bid response in order to qualify as a responsive bidder.*

Firms interested in submitting a bid must respond with complete information and **deliver on or before 1:45 p.m. CST, February 9, 2016**. Late bids will not be accepted and will not receive consideration for final award.

**“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE BID RESPONSE PAGE.”**
