**ADDENDUM 1
RFP 16-0028
CO-PHARMACY SERVICES**

March 9, 2016

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding Sheriff's Office ammunition.

Questions and/or statements of clarification are in bold font, and *answers to specific questions are italicized.*

1. If the current pharmacy chooses to stay in its current location, how much space is available for an additional pharmacy at that location and what future relationship does Comcare intend to have with the current pharmacy?
The current pharmacy is an independent pharmacy that has its own leased space; COMCARE will not determine if they stay or relocate. COMCARE can assure that the chosen pharmacy will have space options to choose from either within or adjacent to a COMCARE program. If an outside pharmacy is chosen, the current pharmacy would not be affiliated with COMCARE and all COMCARE paid vouchers would be referred to the new contracted pharmacy.

Firms interested in submitting a *proposal* must respond with complete information and **deliver on or before 1:45 p.m. CST, March 29, 2016.** Late *proposals* will not be accepted and will not receive consideration for final award.

“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE PROPOSAL RESPONSE PAGE.”
