Addendum Items

Dear Rob,

The following are addendum items:

Question: The finish Schedule lists the ceiling in the showers as getting 2x2 ceramic lay-in. 2" x 2" porcelain is listed for the floor and base. Is it required for the ceiling?

Please see 09 51 00, 2.01, C of the specification for a description of the Ceramic Lay-in Panels specified for the ceiling.

Architect's Comment:

Please note that brick will have radius corners in various locations. Radius shall match existing.

Regards,
