ADDENDUM 1
#16-0075
OIL DISTRIBUTOR TRUCK – 3500 GALLON

August 19, 2016

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the Oil Distributor Truck – 3500 Gallon.

Questions and/or statements of clarification are in **bold** font, and *answers to specific questions are italicized*.

1. **The Mauldin tank design and construction meets or exceeds all applicable federal cargo tank regulations 49 CFR 173.247 and includes DOT-406, HM-183, HM-198A with consideration for hot asphalt products, without an ASME number. Can we submit without the ASME number since the tank meets or exceeds specifications?** *Yes, as long as you include verbiage stating that the construction of tank meets or exceeds ASME standards.*
2. **The position of the sampling valve on the Mauldin is in the front of the tank head, not the rear. Is this acceptable?** *Yes, that is acceptable.*
3. **The Fuller AT 1202 is available in 2 or 3 position. Which does the County prefer?** *2nd position meets specifications, 3rd position would exceed specifications.*
4. **A Sheppard M100 is required for 20K axle per manufacturer. Is this acceptable?** *Yes, this is acceptable.*
5. **On the Rear – 22.5x8.25 wheel pilot mount with hand holes do you want aluminum or steel?** *Aluminum.*
6. **Is the transmission temperature for main or both (aux)?** *Main*
7. **Is the Auto Lube System needed for this application? Low miles per year and life cycle of unit?** *Yes, this is necessary for application. 1,100 miles per year, life cycle of 10 years.*
8. **How many points of lubrication are needed? Please specify points of lubrication.** *This information should be provided by you the vendor.*

Firms interested in submitting a **proposal** must respond with complete information and **deliver on or before 1:45 p.m. August 23, 2016**. Late **proposals** will not be accepted and will not receive consideration for final award.

“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE PROPOSAL RESPONSE PAGE.”
