**REQUEST FOR BID
#16-0091
ON-CALL DEBRIS REMOVAL
Addendum #1**

November 8, 2016

The following is to ensure that vendors have complete information prior to submitting a bid. Here are some clarifications regarding the bid request for On-Call Debris Removal.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

1. When is the delivery of roll off containers? Will it be during normal business hours?

Answer: Please provide a cost for normal business hours and a cost for emergency overtime hours.

2. When is the delivery of a packer use? Will it be during normal business hours?

Answer: Please provide a cost for normal business hours and a cost for emergency overtime hours.

3. Is there a specific dump site required for the materials?

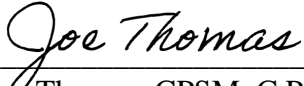

Answer: No, there is not a requirement for a specific disposal location. However, the disposal location must have a KDHE permit for waste disposal (MSW, Compost or C&D).

4. Is Sedgwick County expecting the rates to be the same for the two (2) additional one (1) year options to renew?

Answer: Sedgwick County leaves that decision up to the proposers to include in their submissions and we will award based on the best overall bid offered.

Firms interested in submitting a bid must respond with complete information and **deliver on or before 1:45 p.m. CST, Tuesday, November 22, 2016**. Late bids will not be accepted and will not receive consideration for final award.
