Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

**1. Line 18 – LNU – Rear Cornering LED was last available from the factory for the 2014 model year. Available via up-fitter. Is Flush mount required?**

*Answer: On past RFB's vendors have added these items as aftermarket additions and included them in their bid. Flush mount is not required.*

**2. Line 17 – LNB – Front Cornering LED was last available from the factory for the 2014 model year. Available via up-fitter. What is the preference in light color – Clear/Clear, or Red/Blue? Is Flush mount required? (Flush mount only available in Clear/Clear).**
