**REQUEST FOR BID**  
**#17-0033**  
**ONE TON TRUCK**  
**Addendum #2**

March 22, 2017

The following is to ensure that vendors have complete information prior to submitting a bid. Here are some clarifications regarding the bid for a One Ton Truck.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

**1. Are you wanting a one ton (Ram 3500), or a ton and half (Ram 4500) which is the equivalent of the F450?**

*Answer: It must be a F450 or equivalent Heavy Duty truck.*

**2. You mention in the bid that you are looking for a 1 ton truck or F-450. I wanted to ask you if an F-350 would suffice since an F-450 is actually larger than a 1 ton truck?**

*Answer: It must be a F450 or equivalent Heavy Duty truck.*

**3. Engine specs call for 6.2 l 8 cylinder gas. In the Ford line you can only get that engine in the F350. County wants an F450. The standard engine gas in F450 comes only with 6.8 v/10 gas will that work?**

*Answer: It must be a F450 or equivalent Heavy Duty truck.*

Firms interested in submitting a proposal, must respond with complete information and **deliver on or before 1:45 p.m. CDT Tuesday March 28, 2017**. Late proposals will not be accepted and will not receive consideration for final award.

**“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE BID RESPONSE PAGE.”**
