I. About this Document

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the county is seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in Charter Resolution No. 65, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the County. Criteria that will be used and considered in evaluation for award are set forth in this document. The county will thoroughly review all proposals received. The county will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. Proposal responses, purchase orders and final contracts are subject to public disclosure after award. All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however no guarantee is made that information will be withheld from public view.

II. Background

Sedgwick County, located in south-central Kansas, is one of the most populous of Kansas' 105 counties with a population estimated at more than 508,000 persons. It is the sixteenth largest in area, with 1,008 square miles, and reportedly has the second highest per capita wealth among Kansas' counties. Organizationally, the county is a Commission/Manager entity, employs nearly 2,800 persons, and hosts or provides a full range of municipal services, e.g. – public safety, public works, criminal justice, recreation, entertainment, cultural, human/social, and education.

Sedgwick County, through the Department of Human Resources, administers employee enrollment in the county's benefits program consisting of Medical/Pharmacy, Flexible Spending, Life, Dental and Vision. The Sedgwick County Department of Human Resources coordinates an annual open enrollment period for county employees. This is usually done in October of each year.

- A. All eligible active employees that enroll are provided a basic Advance Life and AD&D policy based on their annual salary. Employees may elect to increase or decrease levels of coverage to fit their personal Life/AD&D insurance needs. The Life and AD&D policy is offered at the sole cost of the county, based on the employee's salary as shown below in Paragraph B. Employee's may "buy up" to a greater amount and pay the difference if they choose. They may also "buy down" to a lesser amount and receive the difference as a credit. Employees are allowed to choose differing amounts of Life and AD&D to fit their needs (ie \$25,000 AD&D and \$75,000 Life).
 1. In the event of death, the basic term life insurance provides a cash benefit.
 2. Life benefits reduce at age 70 to 65 percent, at age 75 to 45 percent, at age 80 to 30 percent, and at age 85 to 15 percent of the amount of life coverage provided.
 3. All coverage terminates at employment separation or retirement.
 4. The AD&D coverage provides a cash benefit equal to basic term life (the Principal sum) in the event an employee dies in a covered accident.
 5. AD&D is paid in addition to the basic term life insurance.
 6. The loss of hands, feet, eyes, and the loss of speech or total deafness (both ears and not correctible by any aid or device) in a covered accident may qualify for partial payment of AD&D benefit.

B. The current policy rate structure is as follows:

Annual Salary	Life Coverage	Cost Per Check	AD&D Coverage	Cost Per Check
\$17,000.00 or Less	\$10,000.00	\$0.42	\$10,000.00	\$0.09
\$17,001.00 - \$23,000.00	\$15,000.00	\$0.62	\$15,000.00	\$0.14
\$23,001.00 - \$36,000.00	\$25,000.00	\$1.04	\$25,000.00	\$0.23
\$36,001.00 - \$45,000.00	\$35,000.00	\$1.45	\$35,000.00	\$0.32
\$45,001.00 and Up	\$50,000.00	\$2.08	\$50,000.00	\$0.46
All Ranges	\$75,000.00	\$3.12	\$75,000.00	\$0.69

C. The County pays the premium on behalf of the employee based on where their salary falls. Employees may purchase any amount to suit their needs. The current enrollment in these benefits is as follows (as of January 2017):

Life Coverage	# of Participants	AD&D Coverage	# of Participants
\$10,000.00	84	\$10,000.00	68
\$15,000.00	43	\$15,000.00	41

\$50,000.00	388	\$50,000.00	344
\$75,000.00	1237	\$75,000.00	1309

D. Advance dependent life is covered at the sole cost of any eligible employee that enrolls in the coverage. The current policy is as follows:

1. Dependent life covers both spouse and child(ren) up to age 26 (includes biological, adopted, legal guardianship and court ordered dependents).
2. In the event of death, the dependent term life insurance provides a cash benefit.
3. If the child has left the hospital and is 15 days to 6 months of age the life benefit is limited to \$250. The county would like to eliminate this provision and allow full coverage from birth to age 26.
4. Kansas law states that an individual cannot purchase an amount of dependent life which exceeds 50% of their own life insurance election.
5. Dependent life terminates at age 75.

Dependent Coverage	Cost Per Check
