ADDENDUM 2
RFB #17-0080
TELESCOPING STEEL SIGN POST SYSTEM

September 27, 2017

The following is to ensure that vendors have complete information prior to submitting a bid. Here are some clarifications regarding the bid for Telescoping Steel Sign Post System for Public Works.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

1. Breakaway devices are not included. Will a separate bid be issued for FHWA approved breakaway hardware?

Telescoping steel sign posts do not need "breakaway" devices. The combination of the base and post create its own break away device. These posts are NCHRP 350 approved. We won't be using them with this bid.

Firms interested in submitting a bid, must respond with complete information and **deliver on or before 1:45 p.m. CDT, October 3, 2017**. Late bids will not be accepted and will not receive consideration for final award.

"PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE BID RESPONSE PAGE."
