	Klassic Trailers				

The recommendation of Purchasing and the Health Department, is to **accept the best proposal from Verde (Option 2) for a total cost of \$33,650.00.**

If approved, this purchase will supply the Region III EMS Council's Major Emergency Response Group (MERGe) with an Emergency Medical Services response trailer. This mobile trailer will be used by regional EMS departments for meeting space, as well as storage of patient care supplies in the event of a disaster situation.

A review committee comprised of Anna Meyerhoff, Sedgwick County Health Department, Grant Helderich Butler County EMS Director and Angee Sisco, Finance reviewed each proposal submitted, shortlisted and interviewed Advantage and Verde and unanimously agreed to recommend Verde Option 2 for contract award. Considerations included but are not limited to: clarity and completeness of solicitation response, layout and design compared to needs, construction materials, past experience, and cost.

100% funding for this project comes from the Department of Homeland Security MMRS grant program.
