On the recommendation of Kim Evans, on behalf of Fleet Management, Jennifer Dombaugh moved to **accept the low bid from Rusty Eck Ford in the amount of \$135,194.00**. Linda Kizzire seconded the motion. The motion passed unanimously.

These are replacement vehicles for the Fire Department, surplus will be sold on Purplewave.

Question was asked why there were only two bids, response was that many dealerships have started to hit manufacturing cut-offs and some cannot offer the current model year any longer, therefore could not bid with the timeline we had.
