1 ITEM

**1. WEST SEDGWICK COUNTY PARK; SANITARY SEWER AND PARKING LOT IMPROVEMENTS (SCP-1) -- PUBLIC WORKS
FUNDING -- PARKING SEWER IMPROVEMENT at W SCP**

(Request sent to 6 vendors)

RFB #13-0072 S/C 8000016097

Engineer's Estimate: \$849,961.80	Andale Paving, Inc.	Cornejo Construction	Wildcat Construction Co., Inc.
1. Sanitary Sewer & Parking Lot Improvements	\$791,803.05	NO BID	
2. Bid Bond	Y		
Acknowledged Addendum	Y		

On the recommendation of Joe Thomas, on behalf of Public Works, Jennifer Dombaugh moved to **accept the bid from Andale Paving, Inc. in the amount of \$791,803.05**. Tim Kaufman seconded the motion. The motion passed unanimously.

This project involves completely reconditioning the parking lot with sub-grade modification, roller compacted concrete surface, pavement marking, seeding, and a new sewer line that will tie into the City of Wichita sewer system.

Question – Why was there only one bidder?

Answer – This project involves a special process for reconditioning the parking lot. The process is called roller compacted concrete surfacing and will reduce the time and expense for pouring the parking lot located near the soccer field in West Sedgwick County Park. Public Works is under a time constraint requiring this pour be done in the month of August, therefore this process was required. Andale Paving, Inc. has the means and established methodology for utilizing this process.
