On the recommendation of Gunda Angelica, on behalf of Fleet Management, Sara Jantz moved to **accept the lowest responsible bid from Shawnee Mission Ford in the amount of \$60,673.00.** Jennifer Dombaugh seconded the motion . The motion passed three to one.

These vehicles are replacements for 0461 and 0137 with Public Works.

\*Rusty Eck does not meet specifications

Question: Why Don Hattan Chevrolet, Inc. was not the chosen vendor due to shorter lead time and indicated Public Works replacement vehicle 0137 is having transmission problems. The Purchasing Department was not informed of any transmission problems; therefore, recommended lowest responsible bid.

**BOARD OF BIDS AND CONTRACTS AUGUST 15, 2013**

Question: Why Rusty Eck Ford did not meet specification. Bid received from Rusty Eck Ford did not include utility cost which has a cost of \$8,614.00 each.
