A committee consisting of Jeannette Livingston, Contract Administrator - COMCARE, Dee Staudt, Director - SCDDO, John Sullivan, Assistant Director - SCDDO, Brandi Loudermilk, Single Point of Entry Coordinator, Heather Pace, Behavioral Services Coordinator - SCDDO, Marty Hughes, Revenue Manager - Finance, and Joe Thomas, Purchasing evaluated all proposal responses based on the goals of the Committee overseeing these services, proposal content, cost, qualifications, experience of the agency, and the availability of the agency to work with those being served.

Sedgwick County is allocating approximately \$650,000.00 annually to support non-HCBS programs for individuals with intellectual and developmental disabilities.

Question was asked: Why did only 2 service providers respond? Many vendors did not have programs to offer and so provided us with "no bid" responses.
