	Phoenix Kiosk	ISG Technology, Inc.	Audio Lite	H.L. Dalis, Inc.
	Smith Audio Visual, Inc.	Reddi Industries, Inc.	Howard Technology Solutions	

The recommendation of Purchasing and the 18th Judicial District is to **accept the proposal from Ford Audio-Video Systems, LLC in the amount of \$33,078.72 which includes maintenance and support pricing for three (3) years.**

Axon Displays II, LLC submission did not provide sufficient information to make the court confident it would complete the project as requested. They submitted minimal references and gave no indication they have installations in place resembling what we are requesting in the RFP. We are concerned due to their small shop size and submission of a reference installation that was removed in 2013 while offering no information on the reason for the removal.
