Question: How long has PPJ Construction, Inc. been in business? PPJ Construction, Inc. has been in business since 2003.

Question: Why were there only two bids submitted? The bid was sent to 98 vendors and we only received two responses. Several vendors stated that our on-call work is too small in scope to be worth their time to submit a bid.

Question: Would Cornejo & Sons, LLC be available to call if PPJ Construction, Inc. was unavailable? There is no need to have two vendors on-call for this type of work. We feel PPJ Construction, Inc. will be available when needed.
