BOARD OF BIDS AND CONTRACTS DECEMBER 31, 2015

On the recommendation of Kara Kingsley, on behalf of the Department of Corrections, Jennifer Dombaugh moved to **reject all proposals submitted**. Linda Kizzire seconded the motion. The motion passed unanimously.

The Department of Corrections has decided to recommend rejection of all proposals for electronic monitoring services due to revisions in the scope of work. This proposal will be re-issued with modifications in early 2016.

Note: This recommendation was originally brought to the Board of Bids and Contracts on December 3, 2015 (who had recommended approval), and to the Board of County Commissioners on December 9, 2015, when the County Commissioners voted to refer the item back to the Board of Bids and Contracts.
