On the recommendation of Kristen McGovern, on behalf of Sedgwick County Fire District #1, Tim Kaufman moved to **accept the low responsive bid from Danko Emergency Equipment and establish contract pricing for one year, with two (2) one year options to renew.** Linda Kizzire seconded the motion. The motion passed unanimously.

A review committee comprised of Operation Division Chief Eddie Fajardo, Captain Steve Rudd -SCFD and Kristen McGovern-Purchasing reviewed all submitted bids. Specifications outlined were from the National Fire Protection Association 1971. NFPA 1971 protects fire fighting personnel by establishing minimum levels of protection from thermal, physical, environmental, and blood-borne pathogen hazards encountered during structural and proximity fire fighting operations.

Danko Emergency Equipment met all specifications.
