SPECIAL MEETING OF THE BOARD OF BIDS AND CONTRACTS JULY 11, 2016

On the recommendation of Kara Kingsley, on behalf of the Department of Corrections, David Spears moved to **accept the proposal from Premier Monitoring and establish contract pricing for one (1) year with two (2) one (1) year options to renew**. Linda Kizzire seconded the motion. the motion passed unanimously.

On March 31, 2016 the committee recommended Core Monitoring, LLC for award. They were approved by the Board of Bids and Contracts and the following Board of County Commissioner's meeting, Core Monitoring, LLC was awarded the contract. Since that time new information discovered in a background check has come to light that now requires a new vendor to be recommended for award.

Premier Monitoring has agreed to hold pricing for the new contract and do a background check of all employees. The background checks were completed and have been approved by staff with the Department of Corrections.

The electronic monitoring devices will be used in conjunction with the county's house arrest electronic monitoring programs and will be paid by Sedgwick County. Premier Monitoring is located in Wichita, Kansas.

BI, Inc. is the current vendor, 2015 spend was \$72,525.00.

Note:

Core Monitoring LLC was found to have repeated history that would be in conflict with the best interest of the Department of Corrections and Sedgwick County.

Definitions:

GPS - Global Positioning System

Active - The unit collects one GPS point every 15 seconds and communicates data to the monitoring computer every five minutes.

Passive - The unit collects one GPS point every minute and communicates data to the monitoring computer every four hours.

Self Insure - The vendor will be responsible for any lost or damaged devices. The vendor may recoup costs from the offender.
