On the recommendation of Kim Evans, on behalf of the MABCD, David Spears moved to **accept the low responsive bid from CDW-G in the amount of \$114,888.04**. Tim Kaufman seconded the motion. The motion passed unanimously.

This is replacement equipment, the old equipment will be decommissioned through DIO and either sent to surplus or recycled through the contracted E-waste vendor.

Notes-Apex Computer Systems, Inc. is non-responsive as they did not provide one of the components requested, stating that the item was not available. P rovantage LLC withdrew their bid due to a non-judgmental error pursuant to K.S.A. 75-6904.
