On the recommendation of Kimberly Evans, on behalf of Facilities, Tim Kaufman moved to **accept the low bid from Farha Construction, Inc. in the amount of \$111,339.00.** David Spears seconded the motion. The motion passed unanimously.

This project will provide accessible ADA upgrades to Sedgwick County Park including, but not limited to: new concrete sidewalks and landings, accessible ramp, parking, striping, wheel stops, detectable warnings, signage, accessible charcoal grills, and accessible picnic tables. This project also includes a new accessible shelter, electrical pedestal, aluminum dock, decking, guard rails on both sides of gangway, security curbing around edges of the dock, and landscaping.

These improvements are part of the county's ongoing efforts to ensure accessibility in our programs and services.

Questions and Answers

Tim Kaufman wanted to clarify if the county had checked with Farha Construction, Inc. to ensure they could do the work at the price bid and in the amount of time as indicated. Sandy Anguelov of Facilities Project Services stated that the vendor has been contacted and the statement of work was reviewed and that the county is confident that the work will be done according to specifications.
