The recommendation of Purchasing and Fleet Management is to **accept the bid from Sam Pack's Five Star Ford in the amount of \$25,931.00.**

The reason we have requested a 2016 model is we feel the availability and delivery would be much quicker. There is virtually no difference between the 2016 and the 2017 models.

This purchase is to repair a wrecked ambulance in our fleet. It is more efficient and economical to do the remount in house at Fleet Management then to send it to a vendor.
