On the recommendation of Kristen McGovern on behalf of the Noxious Weeds Department, Bid Board unanimously voted to **accept the low bid for items 1 - 6 to Van Diest Supply Co., the low bid for items 7 and 8 to Red River Specialties, LLC and the low bid for item 9 to SiteOne Landscape Supply for an initial purchase of \$30,114.08 and establish contract pricing for one (1) year.**

The department is dedicated to increasing crop production by reducing weed competition thus increasing the profit and sustainability of our agriculture partners. This is done through discounted herbicide sales for noxious weeds, custom prescribed vegetation management plans and educational messages.

BOARD OF BIDS AND CONTRACTS AUGUST 31, 2017

Questions and Answers

Richard Powell: These are regular ongoing purchases we make on an annual basis to address this problem?

Kristen McGovern: That is correct.

Thomas Stolz: I'm getting a little bit away from Bid Board here, this is more of a policy question, is this for farmers for their land? They can come and purchase these at reduced prices from the county. Is that is that the spirit of this?

Deborah Sanchez, Administrative Specialist, Public Works: Not only farmers but any Sedgwick County resident.

Thomas Stolz: Interesting policy decision. Do we do anything for bagworms (jokingly)?

Richard Powell: What could I do for the Bermuda (jokingly)?
