		National Sign Company, Inc.	Trinity Highway Products

The recommendation of Purchasing and Public Works is to **accept the low bid from J & A Traffic Products and establish contract pricing for one (1) year with two (2) one (1) year options to renew.**

J & A Traffic Products was our previous contracted vendor for these supplies. The telescoping sign posts are the standard posts that support traffic signs.

*These quantities were provided by Public Works based on past usage. These numbers are for comparative use only and do not indicate actual usage. The estimated annual spend is \$10,000.
