**Lake Afton Cleared of Algae Warning**

(Sedgwick County, Kan.) – Lake Afton is now open for permitted recreational activities. The Kansas Department of Health and Environment removed the lake from the Blue Green Algae report.

Owned and operated by Sedgwick County, Lake Afton Park offers 720 acres of recreational fun for the entire family. The 258 acre lake provides boating, water skiing, fishing, and swimming opportunities. Camping facilities include both RV and tent sites with all the expected amenities and more.
