On the recommendation Kristen McGovern, on behalf of Public Works, Tim Myers moved to **accept the low bid from Pearson Construction, LLC in the amount of \$202,292.00**. Jennifer Dombaugh seconded the motion. The motion passed unanimously.

This project includes grading, asphalt surfacing, and seeding. This street improvement includes approximately 0.267 miles of selected street.

Questions and Answers

Linda Kizzire: Is this eventually going to be assessed or a special assessment for the homeowners in the area?

Jim Weber: Yes. It's a special assessment project. It's a subdivision down south and a little bit west of Schulte for the first phase of it. There will be another phase later.
