**ADDENDUM 1**

**#19-0044**

**HAZMAT TRAINING AND EXERCISE EDUCATION SERVICES**

April 24, 2019

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the proposal for Hazmat Training and Exercise Education Services for the Emergency Management.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

Question: **I am currently a certified Outreach Instructor for California Specialized Training Institute. I am not sure if our certification is recognized by your jurisdiction's requirements.**

Answer: *Only issue is whether the contractor has coordinated with KU to make sure the State testing is offered. Whether the individual is certified in another state or not does not matter from my understanding – only that KU administers the final, essentially, end of course testing.*

Firms interested in submitting a *proposal*, must respond with complete information and **deliver on or before 1:45 p.m. CDT, April 30, 2019**. Late *proposals* will not be accepted and will not receive consideration for final award.

**“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE PROPOSAL RESPONSE PAGE.”**
