31. 10" bolts	100	\$	\$
32. Flanged Nuts for Dimple Bands	Each	\$	\$
Total			
Availability date upon notice to proceed:			

Question: Will the pipe and end sections be separated when considering the bid if one bidder is low on pipe and one is low on end sections?

Answer: Preference is to avoid splitting this between vendors as there could be variations in material shapes effecting how they piece together.

Question: The bid specs do not specify if the end sections need to be Galvanized or Aluminized. Which is required or are both types being considered?

Answer: All aluminized

Firms interested in submitting a **bid**, must respond with complete information and **deliver on or before 1:45 pm CDT, May 28, 2019**. Late **bids** will not be accepted and will not receive consideration for final award.

“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE *BID* RESPONSE PAGE.”
