I. About this Document

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the county is seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in Charter Resolution No. 68, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the County. Criteria that will be used and considered in evaluation for award are set forth in this document. The county will thoroughly review all proposals received. The county will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. Proposal responses, purchase orders and final contracts are subject to public disclosure after award. All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however no guarantee is made that information will be withheld from public view.

II. Background

Sedgwick County, located in south-central Kansas, is one of the most populous of Kansas' 105 counties with a population estimated at more than 511,000 persons. Organizationally, the county is a Commission/Manager entity, employs nearly 2,500 persons, and hosts or provides a full range of municipal services, e.g. – public safety, public works, criminal justice, recreation, entertainment, cultural, human/social, and education.

The purpose of this RFP by Sedgwick County Emergency Communications is to solicit sealed proposals from interested professional consultants or consulting firms to provide comprehensive, turn-key consultation for selecting a Computer Aided Dispatch (CAD) system, and to provide input and direction in the design and implementation process. The consultant or consulting firm would work in conjunction with the Project Manager(s) to represent, and advocate for, the best interests of the Sedgwick County Emergency Communications 911 system.

Respondents should be knowledgeable in issues and best practices surrounding 9-1-1 operations and Next Generation 9-1-1 standards and best practices.

To achieve this, the following will be reviewed and evaluated in a winning vendor:

- The vendor selected shall not have any conflict of interest with this project/task/duty in accordance with Sedgwick County in future efforts to obtain a CAD system. D. Evaluation Criteria

The selection process will be based on the responses to this RFP. County staff will judge each response as determined by the scoring criteria below. Purchasing staff are not a part of the evaluation committee.

Component	Points
a. Qualifications of Firm and Personnel – Strength and stability of the firm; strength, stability, experience and technical competence of sub-consultants; logic of project organization; adequacy of labor commitment. Qualifications, education and experience of project staff; key personnel’s level of involvement in performing related work.	35
b. Related Experience – Experience in providing services similar to those requested herein; experience working with public agencies; assessment by client references.	35
d. Completeness of Response – Completeness of response in accordance with RFP instructions; exceptions to or deviation from the RFP requirements; inclusion of required licenses and certifications.	15
e. Reasonableness of Cost and Price – Reasonableness of the proposed initial and long term cost; competitiveness cost with other proposals received; adequacy of the data in support of figures quoted; basis on which prices are quoted.	15
Total Points	100

Assume the following cost proposals (**examples only**)

- A. \$50,000.00
- B. \$38,000.00
- C. \$49,000.00

Company B with a total price of \$38,000.00 is the low offer. Take the low offer and divide each of the other offers into the low offer to calculate a percentage. This percentage is then multiplied by the number of points available for the cost. In this case, 10 points are allocated to cost.

- A. $\$38,000.00 \text{ divided by } \$50,000.00 = .76$ $.76 * 10$ 7.6 points
- B. $\$38,000.00 \text{ divided by } \$38,000.00 = 1.00$ $1.00 * 10$ 10 points
- C. $\$38,000.00 \text{ divided by } \$49,000.00 = .77$ $.77 * 10$ 7.7 points

Any final negotiations for services, terms and conditions will be based, in part, on the firm’s method of providing the service and the fee schedule achieved through discussions and agreement with the county’s review committee. The county is under no obligation to accept the lowest priced proposal and reserves the right to further negotiate services and costs that are proposed. The county also reserves the sole right to recommend for award the proposal and plan that it deems to be in its best interest.

The county reserves the right to reject all proposals. All proposals, including supporting documentation shall become the property of Sedgwick County. All costs incurred in the preparation of this proposal shall be the responsibility of the firm making the proposals. Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service which best meets its required needs, quality levels and budget constraints.
