September 20, 2019

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the proposal for On-Call Concrete and Paving for Various Sedgwick County Departments.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

**Statement:** Due to the nature of being an On-Call Service, more than one vendor may be awarded based on the lowest and most responsive bid.

**Question:** What are the expectations for returning a quote to the department?

*Answer:* The expectations for providing a quote would be 1-2 days.

**Question:** What is the current cost per yard for concrete that the county is paying currently?

*Answer:* Pricing is by square foot and varies based on quantity.

**Question:** What is the expected EAU?

*Answer:* This is understood to be the Estimated Annual Usage. With brief preliminary information 2018 showed Purchase Orders created totaling $221,535.00. This estimation is not given to be expected usage or volume of need but given for reference purposes.

**Question:** Please post the current contract pricing from the last contract.

*Answer:* All previous RFB and RFPs and related documentation including awards can be found on our website, [www.sedgwickcounty.org](http://www.sedgwickcounty.org). The previously awarded bid is posted online at: [https://www.sedgwickcounty.org/media/39007/15-0061bt.pdf](https://www.sedgwickcounty.org/media/39007/15-0061bt.pdf)

**Question:** Does the county ever have sidewalk ramps quoted?

*Answer:* Yes.
Firms interested in submitting a bid, must respond with complete information and deliver on or before 1:45 pm CDT, September 24, 2019. Late bids will not be accepted and will not receive consideration for final award.

“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE BID RESPONSE PAGE.”
