On recommendation of Britt Rosencutter, on behalf of the Department of Corrections, Angela Caudillo moved to accept the proposal from Technical Resource Management, LLC DBA Cordant Health Solutions and establish contract pricing for three (3) years with two (2) one (1) year options to renew. Tim Myers seconded the motion. The motion passed unanimously.

A review committee comprised of Brenda Gutierrez, Stacy Garrett, and Monica Harris - Department of Corrections; and Britt Rosencutter - Purchasing, evaluated all proposals based on the selection criteria outlined in the RFP. The decision to recommend Technical Resource Management, LLC was reached unanimously. The vendor will provide drug testing for Department of Corrections' clients.

The vendor would provide specimen collections as requested and provide negative specimen results the same day the specimen is received by the laboratory. Positive specimen results should be reported the following day. Specimen will be transported for next day delivery at the laboratory's expense. Vendor will provide toxicology services with the ability to test for matrices for all common drugs of abuse, as well as specialty and designer drugs.

These services will be utilized across both youth and adult programs within the Department of Corrections. The programs utilizing these services include Adult Field Services, Pretrial Services, Drug Court, Adult Residential, Work Release, Juvenile Field Services, Juvenile Detention Facility, Home Based Services, and Juvenile Residential Facility.

Questions and Answers

Linda Kizzire: Are there any questions?

Angela Caudillo: It looks like there was only one vendor that bid. Were there comments from other vendors? Do we have any idea since no other vendor bid?

Britt Rosencutter: I did check some of the other vendors that we got "no bids" from and they don't perform the entire service. They perform parts of the service and we were looking for someone that did the entire thing from beginning to end. That is what we currently have now.

Angela Caudillo: Is the current vendor the same?

Britt Rosencutter: It is.

Angela Caudillo: Was the committee satisfied with the one response they received?

Brenda Gutierrez: Brenda Gutierrez, Department of Corrections. Yes, all three of us were satisfied. Stacy and Monica work with the vendor right now and they don't have any complaints about the process. They like the system and they're happy to move forward with this vendor.

Angela Caudillo: Is the pricing comparable to what you're paying now?

Brenda Gutierrez: Yes, some of the prices went up and some of them went down, I think it's based on what we request the most.

Angela Caudillo: Okay, thank you.

Linda Kizzire: Are there any other questions?
