

**DEPUTY REPORT April 19, 2019**

**Lt. KeeKee S. Taylor D1346**

**ATTENTION:** Captain Schechter (Through Channels)

**SUBJECT:** PREA Committee Review

On April 19, 2019, the PREA Committee conducted a review of some unsubstantiated cases. There were no substantiated cases to review. The unsubstantiated cases were: 18S006330, 18S008896, 18S010057, 18S005961, 18S005955, 18S006040, 18S004143, 18S011334, and 19S000191. In reviewing each of these cases the committee determined policy was followed, nothing occurred to be able to prevent the incidents was from happening. There were no signs to make an indication in either incident a sexual abuse would occur.

The review of each case the committee did not find any indication either incident was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics within the facility.

The committee also determined the area in which the incident occurred the physical barriers in the area had no effect on the abuse, the staffing level was adequate and there is no need for extra cameras.

This is all I have to report.
