

DEPUTY REPORT    October 25, 2019

Lt. KeeKee S. Taylor D1346

**ATTENTION:** Captain Schechter (Through Channels)

**SUBJECT:** PREA Committee Review

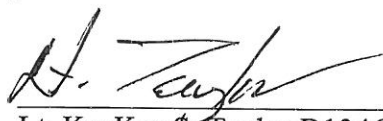

On October 25, 2019, the PREA Committee conducted a review of six unsubstantiated cases and two substantiated cases. The unsubstantiated cases were: 19S009288, 19S005849, 19S005153, 19S006534, 19S0000309 and 19S004623. In reviewing each of these cases, the committee determined policy was followed; nothing occurred to be able to prevent the incidents from happening. There were no signs to make an indication in either incident a sexual abuse or harassment would occur.

The substantiated cases were: 19S008806 and 19S007754. In reviewing each of these cases, the committee determined policy was followed; nothing occurred to be able to prevent the incidents from happening. There were no signs to make an indication in either incident a sexual abuse or harassment would occur.

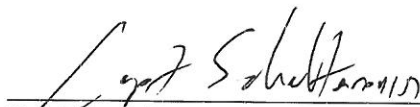

The review of each case the committee did not find any indication either incident was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics within the facility.

The committee also determined the area in which the incidents occurred; the physical barriers in the area had no effect on the abuse, the staffing level was adequate and there is no need for extra cameras.

This is all I have to report.
