WICHITA, KAN. – A man has been sentenced after several photos of an underage girl were found on the man's cell phone. Judge David Kaufman sentenced Carlos Martinez, 56 of Wichita, to 280 months in prison this afternoon.

In November of 2018, a relative was cleaning and looked at Martinez' phone to determine who it belonged to. The relative discovered sexually explicit photos. The photos were of a then ten year old girl who occasionally stayed overnight at the Martinez home in south Wichita. She is now 17.

After an investigation by the Exploited and Missing Child Unit, Martinez was charged with 9 felony crimes including multiple counts of rape and sexual exploitation of a child. He pled guilty January 30th.
