On behalf of Public Works, recommend to **accept the low bid from Conspec, Inc. dba Kansas Paving in the amount of \$2.88 per ton and establish contract pricing for one (1) year with four (4) one (1) year options to renew.**

River sand is combined with rock salt and applied to county roadways to treat snow and ice conditions. This price is a two-cent per ton price reduction from the previous contract.

Note:

The last contract price was \$2.90 per ton.
